WHO-GMP CERTIFIED UNIT

Health & Family Welfare Department
Himachal Pradesh
Baddi, Distt. Solan

Certificate of Good Manufacturing Practices

This one page certificate conforms to the format recommended by the World Health Organization [General Instructions and Explanatory Notes attached].

Certificate No. HFW-H(Drugs)151/07

On the basis of the inspection carried out on 17th & 18th of October 2022, we certify that the site indicated on this certificate complies with Good Manufacturing Practices for the dosage forms, categories and activities listed in Table I:

1. Names and Address of Site: M/s Nikvin Healthcare (India) Pvt. Ltd.,
Village Katha, Behind Govt. Timber Depot,
Baddi, Tehsil Baddi, Distt. Solan (H.P.) INDIA-173205.
2. Manufacturer's License No: MNB/07/591 & MB/07/592
3. Table-I:

Dosage Form[s]	Category[ies]	Activity[ies]
Tablets	General, Betalactam & Cephalosporin	Production, Packing & Quality Control
Hard Gelatin Capsules	General & Betalactam	Production, Packing & Quality Control

The responsibility for the quality of the individual batches of the pharmaceutical products manufactured through this process lies with the manufacturer.

This certificate now remains valid until 22.11.2025. It becomes invalid if the activities and/or categories certified herewith are changed or if the site is no longer considered to be in compliance with GMP.

ABOUT NIKVIN HEALTHCARE PVT. LTD.

Your Trusted Partner in Pharmaceutical Excellence

Nikvin stands as a beacon of quality and innovation in the pharmaceutical industry, boasting a state-of-the-art WHO-GMP, GLP, and ISO certified manufacturing plant strategically located in the industrial hub of Baddi. Our commitment to excellence is reflected in the robust team of qualified professionals surrounding our operations, making Nikvin a distinguished third-party and contract manufacturing facility for tablets and capsules.

Strategic Presence

With registered offices in New Delhi and a head office in Panchkula, Nikvin is strategically positioned at the heart of one of India's pharmaceutical trading capitals. Our geographical advantage allows us to seamlessly integrate into the dynamic landscape of the pharmaceutical industry, ensuring swift and efficient operations.

Leadership with a Vision

At the helm of Nikvin are seasoned promoters with qualifications in the field of pharmacy, backed by an impressive 25+ years of invaluable experience in both pharmaceutical manufacturing and trading. Their visionary leadership has propelled Nikvin to the forefront of the industry.

Diverse Product Portfolio

Nikvin takes pride in being a leading third-party manufacturer in India, featuring three dedicated sections: General Range, Beta Range, and Cephalosporins Range. Our team of industry experts excels in formulating and producing a wide array of products, from established pharmaceuticals to emerging and new drugs. Nikvin is particularly recognized for its expertise in antibiotics production, specializing in beta-lactams and cephalosporins.

Exemplary Manufacturing Expertise & Infrastructure

Our production unit, situated at Jharmajari, Baddi-Barotiwalla Road, Baddi, is staffed by a team of experienced technical professionals. Nikvin's commitment to quality is exemplified by our dedicated teams in Production, Quality Assurance, and Quality Control. Notably, our production facility adheres to the highest standards, and its location ensures an environmentally friendly operation, free from any polluting units in the vicinity. At Nikvin, we believe in setting new standards for pharmaceutical excellence. Our focus on quality, innovation, and ethical practices positions us as your trusted partner for all your manufacturing needs. Experience the pinnacle of pharmaceutical solutions with Nikvin - *where expertise meets commitment.*
