OVERVIEW

RPL was established in 2002, with a mission to improve the lives of patients across the globe. Our aim is to ensure that everyone has access to quality medicine whether for managing diseases, fighting infections, or simply to improve overall health. RPL is a tested and trusted name in the Indian Pharmaceutical industry with more than 20 years of experience in manufacturing and exporting pharmaceutical formulations. We aim to leverage our long-standing experience, knowledge and excellent rapport that we have built up over the years with various customers to promote the sale of various products. Our WHO-GMP approved manufacturing facility situated in Okhla Industrial Area, New Delhi, India is spread over 36,000 sq.ft. area and was designed by a team of top-notch consultants. Capable of producing a comprehensive range of products comprised of tablets, capsules, liquid orals, dry syrups, external preparations and sachets which classify in various therapeutic groups as Narcotics, Antibiotics, Analgesics, Antipyretics, Anti-inflammatories, Anti-diarrheal, Anti-histamines, Anti-diabetics, Anti-ulcer agents etc.
