Pre.chemo Conditioner

PREPARATION FOR CHEMO & RADIATION THERAPY

2 sachets per day

BCM-95® (Curcumin), Omega-3 (DHA), CoQ10, MCT, Vitamins (A, C, D, E, K1, B1, B2, B3, B5, B6, B12), β-Carotene, Biotin, Zinc, Selenium, Whey Protein, Bacillus coagulans
-Flavor: Strawberry milkshake-

As shown in the graph, starting pre-chemotherapy nutrition support helps maintain healthier nutrient levels through treatment. This pre-chemotherapy nutrition powder, taken one week before chemotherapy, supports strength and cellular energy with clinically backed ingredients like BCM-95® curcumin, whey protein, and Coenzyme Q10.

pro.nourish

NUTRITIONAL SUPPORT FOR CANCER PATIENTS

Twice a day

Protein, Dietary Fiber, Catharanthus roseus extract, MCT, Vitamin A, Vitamin D, Vitamin E, Vitamin K, Vitamin C, Magnesium, Zinc, Copper, Thiamin B1, B2, B3, B5, B6, B7, B12, B9, L-Taurine, L-Carnitine, Calcium, Phosphorus, Iron (ferrous fumarate), Manganese, Sodium, Potassium, Chloride, Iodine, Selenium, Chromium, Molybdenum
-Flavor: Vanilla, Chocolate, Strawberry-

A high-protein, science-based nutrition support designed to preserve lean muscle and metabolic strength during and after chemotherapy. With whey protein, L-carnitine, taurine, MCTs, and omega-3s, it supports mitochondrial energy, reduces inflammation and oxidative stress, and promotes tissue repair, immune resilience, and faster recovery.

ProtekTit

BREAST CANCER THERAPY SUPPORT

2 tablets per day

BCM-95® (Curcumin), AKBAMAX® (Boswellia serrata extract), Powerfungi blend (Turkey tail mushroom, Maitake mushroom, Yeast beta-glucans), Green tea leaf extract, Astragalus extract, Quercetin, Broccoli extract, Milk thistle extract, Flaxseed lignan extract

A science-backed antioxidant adjunct that can be safely used alongside standard chemotherapy without affecting drug action. It supports healthy cell regulation, immune function, and oxidative balance to help protect normal cells during treatment. The formulation is well tolerated and designed to support recovery without interfering with therapy.

Procure

PROSTATE CANCER THERAPY SUPPORT

2 softgel capsules per day

Saw Palmetto extract, Nettie extract, Powerfungi blend (Turkey tail mushroom, Maitake mushroom, Yeast beta-glucans), Pygeum extract, Lycopene, Pumpkin seed oil, Pomegranate extract, Beta-Sitosterol

A science-driven formulation designed to support prostate health by addressing cell proliferation, inflammation, and oxidative stress. Powered by Saw Palmetto, Beta-sitosterol, Pygeum, Lycopene, and an immune-active mushroom beta glucan complex, it supports hormonal balance, immune surveillance, and prostate-related symptom management in prostate cancer.

Neuroheal

NEUROPATHY CARE

2 capsules per day

BCM-95® (Curcumin 95%), Acetyl-L-Carnitine, ALA, Magnesium, Vitamins (B1, B6, B12, D3)

A targeted nerve-support supplement to help ease treatment-related nerve pain in cancer patients. Powered by BCM-95® curcumin and alpha lipoic acid to reduce inflammation and oxidative stress, with acetyl-L-carnitine and B-vitamins to support nerve repair, signaling, and comfort during and after treatment.

Cancure

COLORRECTAL CANCER THERAPY SUPPORT

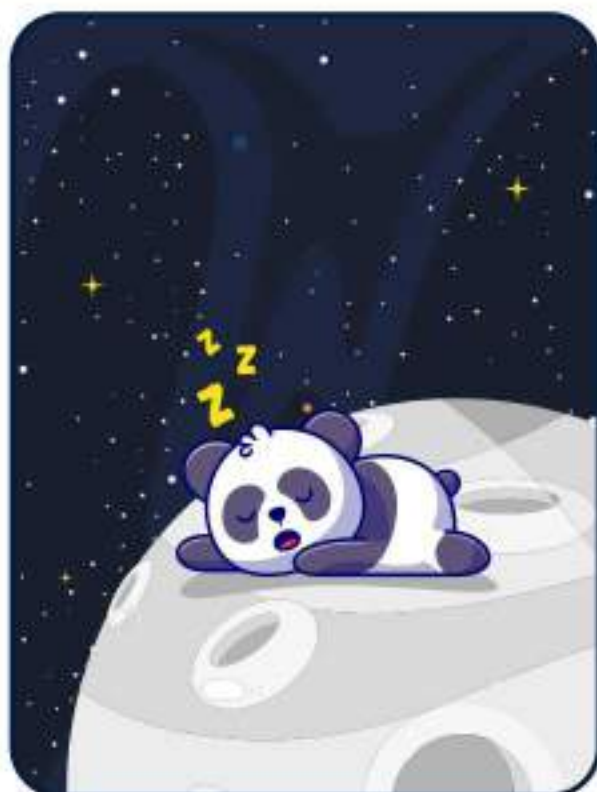

2 capsules per day

Reishi extract, D-limonene, CoQ10, Powerfungi blend (Turkey tail mushroom, Maitake mushroom, Yeast beta-glucans), ALA, Bacillus coagulans, Selenium

A targeted recovery formulation built around an immune-active Powerfungi blend (Turkey Tail, Maitake, beta-glucans) to support immune surveillance and healthy cell regulation. With Reishi, CoQ10, ALA, selenium, and probiotics, it helps reduce inflammation, boost mitochondrial energy, support gut balance, and strengthen antioxidant defenses during colorectal cancer recovery.

SLEEP & STRESS

DozzZ

SLEEP ONSET

1 gummy
one hour
before sleep

Melatonin,
Ashwagandha extract,
Lemon Balm,
Valerian Root extract,
Passion Flower extract,
Chamomile extract, Magnesium

A clean sleep onset gummy designed to help you fall asleep faster and sleep peacefully. Powered by melatonin with calming botanicals like ashwagandha, valerian, chamomile, and lemon balm to support natural relaxation. Vegan, sugar free, and individually wrapped for hygienic, travel-friendly sleep support anywhere.

Vitaspray Melatonin

SLEEP ONSET

4 sprays (1ml) one hour before sleeping

Melatonin

A sleep-onset formula with melatonin that signals the body it's time to sleep. Supports faster sleep onset, longer uninterrupted rest, and improved sleep quality by aligning the natural sleep-wake cycle. An easy solution for smoother sleep and refreshed mornings.

Fola-Sleep

SLEEP ONSET | SLEEP MAINTENANCE

1 capsule one
hour before
sleep

Melatonin, Valerian extract,
5-HTP, Magnesium

A targeted sleep-support supplement designed to reset the natural sleep wake cycle for deeper, more restful sleep. Powered by melatonin and 5-HTP, with valerian extract and magnesium to calm the nervous system. The synergistic formula supports sustained sleep quality and overnight recovery.

Nolatonin Sleep

NON-MELATONIN SLEEP SUPPLEMENT

1 jelly before sleep

Magnesium (as Magnesium glycinate), Theanine, Chamomile Extract,
Lemon Balm Extract, Vitamin B6 (Pyridoxine HCl), Vitamin B12
(Methylcobalamin), Pantothenic Acid (Vitamin B5), Vitamin E

A melatonin-free sleep supplement formulated with natural plant extracts to promote deep, restful sleep for kids. It comes in attractive & unique jelly dosage form with is enjoyed by the kids. It supports good sleep with enjoyable stick jelly form

SLEEP & STRESS

Stresscomplex

STRESS | ANXIETY

1 capsule morning
1 capsule night

KSM-66® (Ashwagandha extract),
L-Theanine, Magnesium, Zinc,
Vitamins (B1, B2, B3, B5, B7, B9, B12)

A targeted stress support formula with B-complex vitamins and patented ashwagandha supporting neurotransmitter function, energy metabolism, and stress hormone balance. Adaptogenic action promoting calm, resilience, and nervous system stability. Cyclic dosing approach maintaining effectiveness over time without nervous system overload.

Calm

STRESS | MOOD | ANXIETY

1 gummy morning
1 gummy night

MOOD ↑
STRESS
ANXIETY

KSM-66® (Ashwagandha extract), Chamomile extract,
Valerian extract, L-Theanine, Vitamin B6, Magnesium

A feel-good gummy designed to support calm focus and balanced mood without the crash. Powered by ashwagandha and L-theanine for stress support, with magnesium and vitamin B6 for brain and mood balance. Vegan and sugar-free, made for everyday mood support.

Stressaway

STRESS, EMOTIONAL & MENTAL WELLNESS

1 capsule morning
1 capsule night

KSM-66® (Ashwagandha extract), Lavender extract, Lemon
balm extract, L-Theanine, 5-HTP, Magnesium, Vitamin B6,
Vitamin D3

Why StressAway? Because everyday stress affects mood and focus. With ashwagandha, 5-HTP, and L-theanine, it supports serotonin and GABA balance while helping regulate stress hormones. Magnesium and active B6 further promote calm, emotional balance, and daily stress resilience.

Vitaspray B Complex

BRAIN HEALTH | STRESS MANAGEMENT

4 sprays (1ml) per day

Vitamin B complex
(B1, B2, B3, B6, B12)

A fast-acting B-complex deep spray designed for nights when the mind won't switch off. Powered by vitamin B12 and active B vitamins to support neurotransmitter balance and calm nerve signaling. Helps improve sleep quality without heavy sedation or morning grogginess.

KIDNEY & LIVER

Renoease Pre-Dialysis

PEA ISOLATE PROTEIN INTAKE
FOR CKD STAGES 1-4 (PRE-DIALYSIS) PATIENTS

1 sachet a day

1-4

Pea protein, Isomaltulose, MCT, Acacia gum, L-leucine, L-isoleucine, L-valine, L-carnitine L-tartrate, Taurine, Choline bitartrate, Glycine, Calcium, Magnesium, Iron, Zinc, Sodium, Potassium, Selenium, Vitamin C, Vitamin D3, Vitamin B12, Folic acid, Vitamin B6, Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin K2-7, Vitamin B7, Vitamin E (d-alpha-tocopherol)

Renoease Pre-Dialysis is a kidney-friendly nutrition powder for CKD stages 1-4, designed for pre-dialysis support to maintain strength without stressing kidneys. With slow-release pea protein, BCAAs, L-carnitine, and taurine, it supports muscle, energy, and overall nourishment in a clean plant-based formula.

Renoease Dialysis

PEA ISOLATE + WHEY PROTEIN ISOLATE
FOR CKD STAGE 5 (DIALYSIS) PATIENTS

1 sachet a day

5

Pea protein, Whey protein, Isomaltulose, MCT, Acacia gum, L-leucine, L-isoleucine, L-valine, L-carnitine L-tartrate, Taurine, Choline bitartrate, Glycine, Calcium, Magnesium, Iron, Zinc, Sodium, Potassium, Selenium, Vitamin C, Vitamin D3, Vitamin B12, Folic acid, Vitamin B6, Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin K2-7, Vitamin B7, Vitamin E (d-alpha-tocopherol)

A high-protein nutrition powder for stage-5 CKD patients on dialysis, designed for post-dialysis recovery and daily support. With fast- and slow-release proteins plus L-carnitine, taurine, and micronutrients, it helps restore protein losses, maintain muscle strength, and support energy without stressing kidneys.

CHRONIC KIDNEY DISEASE

Renosafe

PROBIOTICS FOR REDUCTION & MAINTENANCE
OF BLOOD UREA NITROGEN (BUN) LEVELS

1 capsule per day

90 billion CFU blend of
Lactobacillus acidophilus
Bifidobacterium longum
Streptococcus thermophilus

A targeted gut-based formula supporting the gut-kidney-liver axis to help manage elevated urea, creatinine, and ammonia levels. Powered by a 90-billion CFU probiotic blend that helps trap and eliminate nitrogenous waste in the gut. Supports metabolic balance and reduces fatigue linked to toxin buildup.

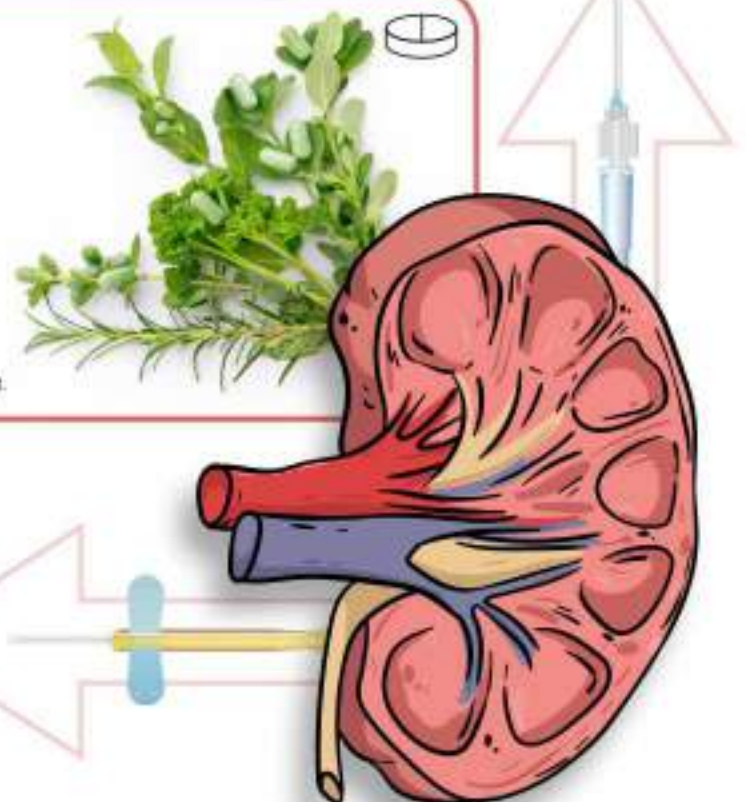

Renoshield

KIDNEY SUPPORT | KIDNEY FUNCTION

2 tablets per day

Extracts of Uva ursi, Parsley, Rosemary,
Fennel, Nettle root, Olive leaf, Horsetail herb

An herbal kidney support formula designed to protect renal cells and support natural detox pathways. With Uva ursi, parsley, rosemary, and nettle, it helps reduce oxidative stress and support fluid balance. Promotes healthy urinary flow and everyday renal support.

KIDNEY & LIVER

Hepaliv

HEPATOPROTECTIVE | HEPATOBOOSTER

1 tablet per day

Silymarin,
L-carnitine L-tartrate
Essential phospholipids
Vitamins (B1, B2, B3, B6, B12, E), Zinc

A liver-support formula powered by silymarin to reduce oxidative stress and protect hepatocytes. Essential phospholipids help repair liver cell membranes and support regeneration and detox function. Added nutrients promote liver energy and long-term resilience.

LivNRG

LIVER DETOX

1 tablet morning
1 tablet night

N-Acetylcysteine (NAC), Alpha Lipic Acid (ALA),
Coenzyme Q10 (CoQ10)

NAC (600 mg) supports the body's antioxidant shield. ALA (300 mg) helps fight oxidative stress and boost cellular energy, while CoQ10 (50 mg) keeps mitochondria powered and cells performing at their best. Science-backed support for everyday resilience.

Livcomplex

HEPATOPROTECTIVE | HEPATOBOOSTER

1 capsule per day

Silymarin, Calcium
Vitamin B complex
(B1, B2, B3, B6, B12)

A daily liver reset designed to keep your system running smooth. Powered by silymarin to protect liver cells and a B-complex with B12 to boost liver energy and detox pathways. It helps your liver bounce back from everyday stress. Clean support for better metabolism, energy, and overall balance.

INFANTS 0-3 years

NO PRESERVATIVES
NO ADDITIVES
NO CHEMICALS

Niñohush

REDUCES COLIC | IMPROVES DIGESTION
IMMUNE MODULATION | IMMUNE PROGRAMMING

5 drops per day

Lactobacillus reuteri 100 million CFUs drops

Powered by *Lactobacillus reuteri*, one of the most clinically studied probiotic strains for infants, this tasteless and colourless solution is safe even for newborns from day zero. It gently helps soothe colic, support digestion, and promote early gut health for babies up to 3 years.

Iron Drops

IRON DEFICIENCY

1 ml per day

Iron (Polysaccharide Iron Complex), Folate, (80mcg Folic acid), Vitamin B12

Iron deficiency is common in kids today due to junk eating habits and poor lifestyles. These fast absorbing, high bioavailability iron drops with polysaccharide iron, folate, and B12 help support healthy blood levels, brain development, and growth without needing vitamin C for absorption. The gentle drop format makes daily nutrition easy for growing kids.

Baciclaus

ACUTE DIARRHEA | GUT INFECTIONS
IBD | ANTIBIOTIC-ASSOCIATED DIARRHEA

1-2 minibottles per day

Bacillus clausii minibottle suspension
(in 2 billion CFU and 2 billion CFU + Zinc)

A ready-to-use probiotic minibottle with *Bacillus clausii* spore suspension, one of the most widely used and clinically studied probiotic spores. It helps manage diarrhea, AAD, and gut imbalances, while restoring healthy gut flora. Heat-stable and tastes exactly like water, making it easy for kids to take.

Omega Baby

COGNITIVE DEVELOPMENT | CARDIAC DEVELOPMENT

5ml twice per day

Deodorized pure Omega 3 oil (EPA + DHA) from marine source.

Omega Baby delivers pure Omega 3 (EPA + DHA) to support healthy brain and heart development in babies.

Made with preservative free marine sourced omega oil, it has no flavor, no fishy smell, and no fishy aftertaste just clean omega goodness that's easy and gentle for daily baby nutrition.

No fishy smell or taste

A men's vitality capsule with Mucuna pruriens for testosterone support, Tribulus terrestris for libido and endurance, and Ashwagandha for stress reduction and energy. Targeted herbal formula to support stamina, strength, and performance.

Prostafit

PROSTATE HEALTH

1 tablet per day

prostate care

Copper, Lycopene, Folic acid, Manganese, Beta carotene, Zinc, Selenium, Saw palmetto extract, Vitamins (B6, C, D3, E)

A prostate-support tablet with saw palmetto for urinary comfort and hormonal balance, plus lycopene and beta carotene for antioxidant protection of prostate cells. Designed for convenient daily support of long-term prostate health.

Fertiman

MALE FERTILITY

2 tablets per day

Panax ginseng root, CoQ10, Longjack root extract, Maca root extract, D-aspartic acid, L-arginine, Chromium, Manganese, Iodine, Zinc, Selenium, Folic acid, Vitamins (B3, B5, B6, B12, C, D3, E)

A scientifically formulated men's fertility blend that supports spermatogenesis, sperm motility, and hormonal balance. With D-aspartic acid, L-arginine, herbal extracts, and antioxidants like CoQ10, it helps improve sperm quality and reduce oxidative stress.

WOMEN

Fertilife

FEMALE FERTILITY

1 tablet per day

Myo-inositol, D-chiro-inositol,
CoQ10, Fenugreek extract,
Folic acid, Vitamins (B6, B12)

A fertility-support tablet with myo-inositol & D-chiro-inositol to improve insulin sensitivity and cycle regularity, plus CoQ10 to support egg quality and cellular energy. Tablet format ensures precise dosing, stability, and easy daily use for consistent reproductive support.

IronHP

IRON SUPPLEMENT

1 capsule per day

Heme iron
polypeptides,
Vitamin B9,
Vitamin B12

Supports hormonal balance
and cycle regularity in PCOD.
Powered by myo- &
D-chiro-inositol (40:1),
L-methylfolate, and chromium
to support ovarian function and
insulin balance in a convenient
daily sachet.

Comfort

PMS SYMPTOMS

2 gummies
per day

Dong quai extract,
Chasteberry extract,
Lemon balm extract,
Vitamin B6

A sugar-free, vegan-friendly PMS relief gummy with dong quai for menstrual comfort, chasteberry for hormone balance, and lemon balm for mood support. It helps reduce cramps, bloating, and mood swings during the menstrual cycle. Tasty gummy format makes daily support easy and convenient.

Embrace

DAILY MULTINUTRIENTS FOR HER

2 gummies per day

IMMUNITY

Immunobiotic

IMMUNE BOOSTER | IMMUNE MODULATION |
GUT FLORA BALANCE

1 capsule per day

Lactobacillus (acidophilus, brevis, casei, rhamnosus, paracasei, salivarius, plantarum, bulgaricus), *Bifidobacterium* (breve, bifidum, longum, lactis), 60 billion CFU

Your gut-powered immunity capsule helps rebuild good bacteria, strengthen the gut barrier, and activate immune defenses where immunity starts, the gut. One capsule for better balance and everyday resilience.

Shroom Immune Power

IMMUNE BOOSTER | IMMUNE MODULATION

1 capsule per day

Ashwagandha extract,
Reishi mushroom extract,
Shiitake mushroom extract,
Siberian ginseng root extract,
Echinacea angustifolia extract

Echinacea boosts immune response, Ashwagandha keeps stress in check, and Siberian ginseng sustains energy. Clean, instant brew for daily immunity + steady energy.

Forest immunity

IMMUNITY BOOSTER

1ml per liter of water per day

Elderberry extract, Astragalus membranaceus extract, Shiitake mushroom extract, Maitake mushroom extract, Wild cherry extract, Yeast beta glucan
-Flavor: Wild berry-

Tiny drops, big immunity support. Elderberry boosts immune response, while yeast beta-glucan enhances immune defense. Fast-absorbing drops for easy, gentle daily protection.

Boost

IMMUNITY BOOSTER | NATURAL ANTIBIOTIC

2 gummies per day

BCM-95® (Curcumin),
Tulsi extract, Ginger extract,
Vitamin (A, C, D3, E), Zinc
Flavor: Orange

Your daily immunity candy with science inside. Powered by clinically backed BCM-95® curcumin to reduce inflammation and support immune response, with Vitamins C, D3, A, and zinc for full-spectrum immunity. Easy-to-chew, tasty, and made for everyday defense.

JOINTS & BONES

UCOLL Senior

OSTEO & RHEUMATOID ARTHRITIS |
OSTEOPOROSIS | SARCOPENIA

1 tablet per day

Carticol®
(Undenatured Type II Collagen),
Astaral® (Astaxanthin), Calcium,
Calcitriol, Vitamin K₂7

A comprehensive formula for seniors, indicated in osteoarthritis, rheumatoid arthritis, osteopenia/osteoporosis, and sarcopenia. Carticol® supports cartilage, while calcium, Vitamin D3, and K2-7 improve bone density and utilization. Astaral® provides antioxidant and anti-inflammatory support for joint, bone, and muscle health.

UCOLL Sport

POST WORKOUT RECOVERY
PREVENTION OF IMPACT ARTHRITIS

1 capsule per day

Carticol®
(Undenatured Type II Collagen),
L-theanine, BCM 95® (Curcumin),
KSM 66® (Ashwagandha extract),
Piper nigrum extract, Zinc, Magnesium,
Vitamins (B6, C)

This formulation for post-workout recovery for athletes helps regulate cytokine responses and reduce oxidative stress through potent anti-inflammatory and antioxidant action. It supports immune balance, protects cells, and helps relieve inflammation-related discomfort for overall well-being.

MoveOn

CARTILAGE REPAIR | COLLAGEN SYNTHESIS

2 tablets per day

Glucosamine, Collagen peptides, MSM,
Hyaluronic acid, Boswellia serrata extract,
(Rhus) extract

Supports cartilage repair and collagen synthesis to reduce joint pain and stiffness. Strengthens connective tissues, improves flexibility, and enhances mobility for better joint comfort and active living.

UCOLL2

OSTEOARTHRITIS | RHEUMATOID ARTHRITIS

1 capsule per day

Carticol®
(Undenatured Type II Collagen)

A scientifically formulated joint support supplement featuring patented undenatured Type II collagen (Carticol®), designed to promote cartilage health and joint flexibility. It helps reduce pain, stiffness, and inflammation associated with osteoarthritis and rheumatoid arthritis. Ideal for supporting mobility and improving overall joint function.

Advajoint

CARTILAGE REPAIR | JOINT PAIN
COLLAGEN SYNTHESIS

2 softgel capsules per day

Marine Collagen peptides,
Glucosamine, Chondroitin,
Omega-3, Folic acid,
Boswellia serrata extract,
Curcumin, Rosehip extract,
Vitamins (B12, C, D3, E), Zinc,
Copper, Manganese, Selenium

Supports endogenous cartilage matrix synthesis, aiding repair and improving joint flexibility and mobility. Helps restore joint function, reduce stiffness, and strengthen connective tissues for long-term joint health.

UCOLL Max

OSTEOARTHRITIS | RHEUMATOID ARTHRITIS |
PAIN + INFLAMMATION

1 capsule per day

Carticol® (Undenatured Type II Collagen),
MSM (Methylsulfonylmethane),
Boswellia serrata extract

A scientifically formulated blend for joint and bone health, indicated in osteoarthritis and rheumatoid arthritis to manage pain and inflammation. Carticol® (undenatured Type II collagen) supports cartilage via immune modulation, while Boswellia serrata reduces inflammation, and MSM enhances mobility by lowering oxidative stress and stiffness.

WEIGHT MANAGEMENT

Liquiloss

LIQUID-FILLED CAPSULES FOR WEIGHT MANAGEMENT

2 liquid filled capsules per day

Pellets: Bifidobacterium animalis esp. lactis B-420 (5 billion CFU), Liquid: MCT oil, Grapefruit seed oil, Green coffee bean extract, Capsaicin oil, Piperine oil, Vitamin E

Liquid-filled capsule for smarter weight support. Bifidobacterium animalis B420 supports body composition and metabolism, while MCT oil, green coffee, capsaicin, and piperine enhance fat oxidation, thermogenesis, and absorption. Fast-absorbing, targeted results.

VitalGreens Fizz

SALAD IN A GLASS

1 effervescent tablet per day

Supergreen, BlendSpinach leaf, Wheatgrass, Kale, Alfalfa, Spirulina, Broccoli, Ashwagandha, Chlorella, Moringa, Potassium, Vitamin (C, B3, B5, B6, B12), Iron, Zinc, Manganese, Selenium

Meet your greens + goals drink

This Super Greens effervescent fuels weight management by supporting natural detox, metabolism, and energy powered by a potent organic supergreen blend (spinach, wheatgrass, spirulina, chlorella & moringa) plus B-vitamins and minerals. Fizzes fast, drinks easy, and helps you stay lighter, energized, and on track no salads required.

go.Slim

WEIGHT MANAGEMENT | ANTIOXIDANT

1 effervescent tablet per day

Apple cider vinegar, Pomegranate extract, Vitamin (B6, B9, B12)

Effervescent tablet with 500 mg apple cider vinegar for metabolism, appetite control, and fat utilization. B6, B9, and B12 support steady energy and reduce fatigue. Fast-dissolving, refreshing, easy daily weight support.

GLP Fit

FAT METABOLISM | APPETITE CONTROL, METABOLIC BALANCE

1 capsule per day

GLP Keto BHB Blend, Potassium Beta-Hydroxybutyrate, Sodium Beta-Hydroxybutyrate, Raspberry Ketones, Organic Turmeric Root Powder, Berberine, Organic Cinnamon Powder, Lemon Balm Extract

A next-generation, clinically backed probiotic designed for weight management that supports GLP-1 secretion, helping regulate appetite and satiety signals. By improving gut health and microbiome balance, it enhances metabolic efficiency, reduces cravings, and supports smarter, more sustainable weight control.
