Aura Lifecare Private Limited
(A WHO-GMP Certified Company)

“Global Reach, Trusted Service.”

About Us

Aura Group is a leading exporter of pharmaceutical and healthcare products since 2011, with a consolidated annual revenue exceeding USD 50 Million across four group companies.

Its flagship manufacturing arm, Aura Lifecare, operates a WHO-GMP certified, state-of-the-art facility established in 2019. The plant spans 2,000 Sq. Meters of built-up area on a 55,000 Sq. Meters of Industrial plot. near Vadodara, Gujarat, India, offering ample capacity for future expansion.

The company has developed an extensive portfolio of 400+ products for International Markets and 100+ for the Domestic Market, supported by a fully equipped Formulation & Development (F&D) facility. It also has 200+ Dossiers and DMFs across regulated and semi-regulated markets and holds accreditations from 12 International Regulatory Authorities, with several more in pipeline.

With a workforce of 400+ skilled professionals, Aura Group exports pharmaceutical and healthcare products to 20+ Countries across Asia, Africa, Caribbean, CIS, Latin America and Middle East.
