FORMULATION PVT. LTD.

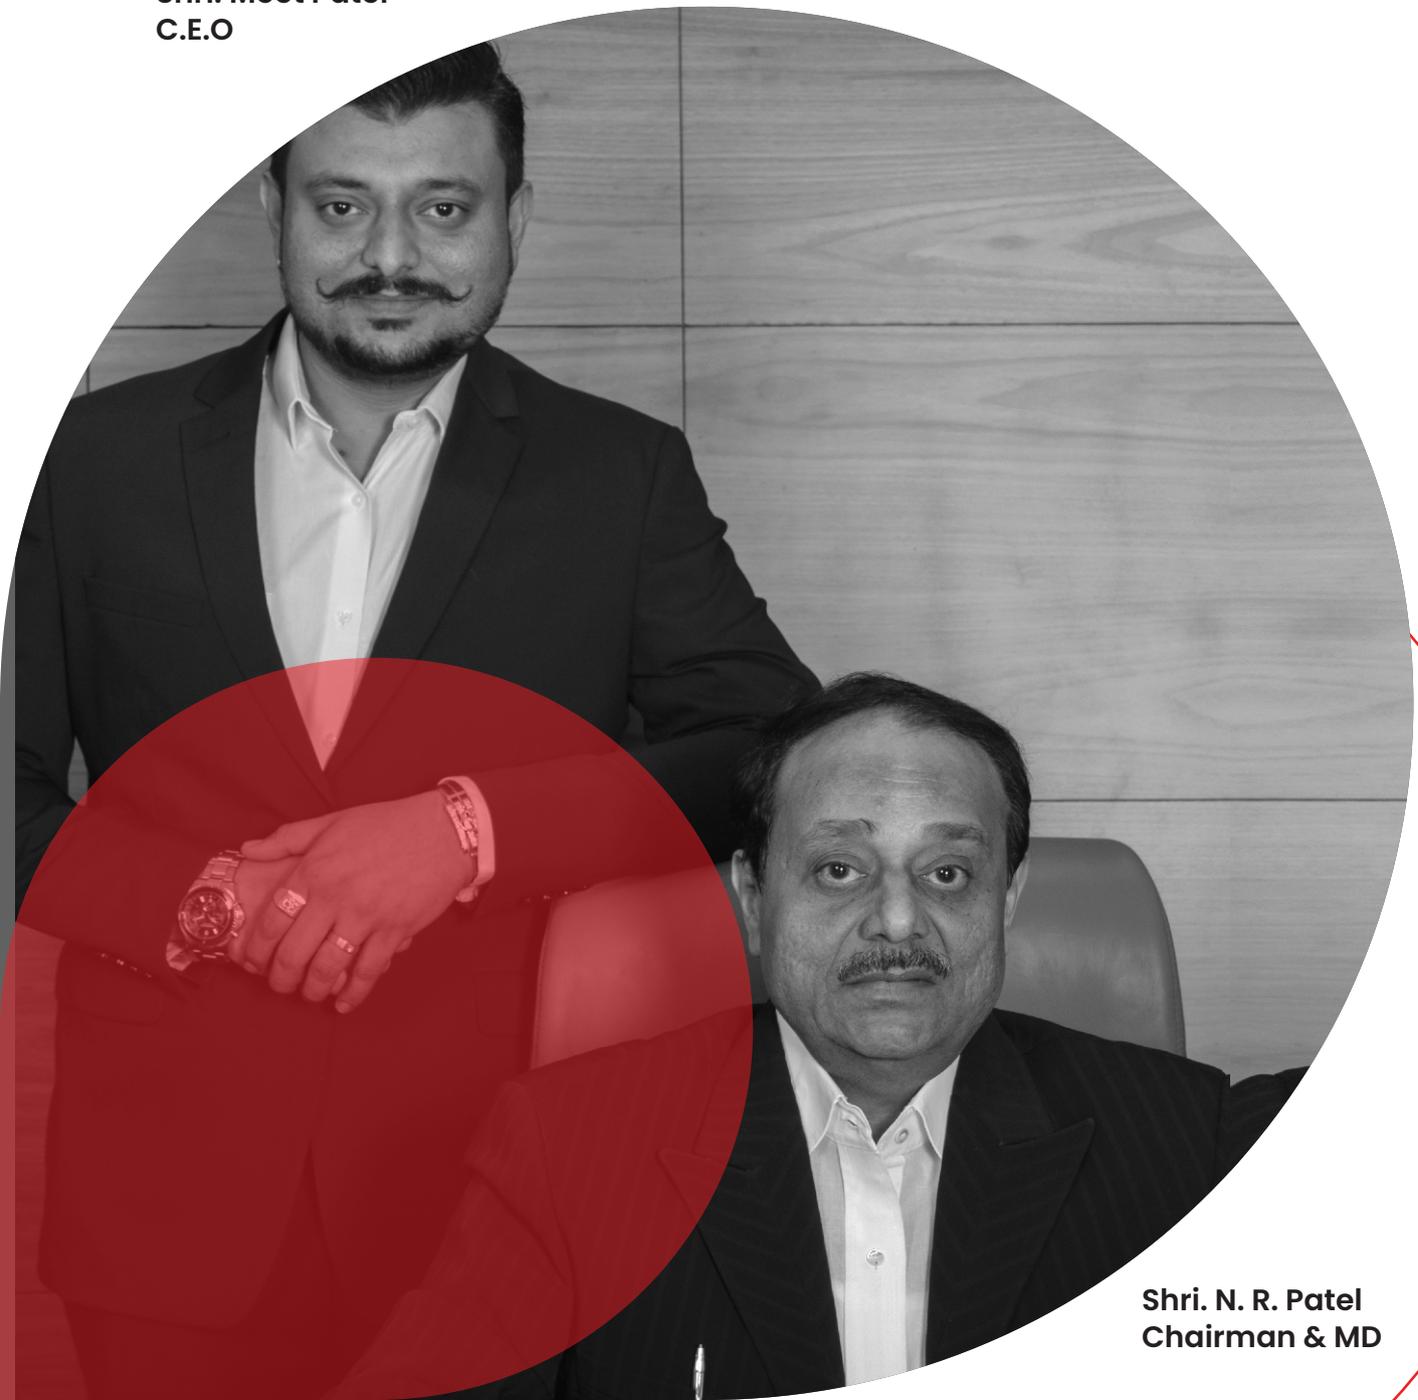

40

Years of
Reliability

COMPANY PROFILE

A myriad of national and international studies display that the hectic pace of modern life has adversely affected our physical as well as mental health. To withdraw such problems, we need to rely upon various kinds of treatments that can relieve physical as well as mental stress and enhance our productivity at the same time. Offering the people some effective and efficient medical formations to help patient combat different health issues (especially mental), **RELIANCE FORMULATION PVT. LTD.** has touched the lives affirmative.

Shri. Meet Patel
C.E.O

Shri. N. R. Patel
Chairman & MD

It all started back in 1985, when **RELIANCE** was incepted. Carving its exclusionary mark in the niche pharma industry, the company has witnessed exponential growth and thumping success.

Having made its name in the indian pharma industries as one of the most trusted brand, **RELIANCE** has scaled the heights of success exponentially. As a leading player in terms of modernization of its plants, machineries and manufacturing processes, it has come up with top-notch products and services to its adored customers so far.

The specialization of the company lies in the formulation of absolute Psychotropic range of products, Ayurvedic and Herbal products as well as a variety of antibiotics, enzymes and vitamins. For the formation of Tablets and Capsules in general section, the company has attained the approval for facilities from **WHO-GMP & ISO 9001:2015**.

The plant has big capacity of production with modern machineries which compiles WHO-GMP. The production is managed by well experienced technical staff to maintain best quality of products. **RELIANCE** has a Marketing and Export division at its corporate office led by various managers and executives assisted by a team of dedicated field forces. **RELIANCE** holds an impressive list of clients which include leading distributors, stockist, government institutions, hospitals, and nursing homes which are repeatedly patronizing **RELIANCE** specialties.

ABOUT COMPANY

WELCOME TO RELIANCE.

A WHO-GMP CERTIFIED PHARMACEUTICAL COMPANY

RELIANCE was founded in 1985 with a mission and vision of working for a healthier world and providing quality medicine with innovation and new technology for a healthy life to people around us and all over the globe. We are prominent manufacturer and supplier of the best grand healthcare and pharmaceutical products.

RELIANCE, A WHO-GMP certified company has a rich heritage to follow. Established in 1985 by Late Shri. Ramanlal Patel. **RELIANCE** has evolved with state-of-the-art machinery, premium and unique formulations, dedicated & modular laboratories and highly experienced and technical staff, resulting growth oriented.

VISION

Our vision is to be a globally admired and reliable pharmaceutical company by providing complete health care solution with quality, affordable and innovative solutions in medicine and treatment.

We make our vision real through robust pipeline growth, strong collaborations with best-in-class research institutes with our strategic allies.

MISSION

Our mission is to improve patients lives by identifying, developing, and commercializing meaningful products that address unmet medical needs.

We pledge to successfully develop distinctive treatments for mental health conditions and pain while selectively preserving our leading position in the Consumer Health segment.

We will cover all the segment in health care industry and to provide best quality of product with effective cost.

CSR

RELIANCE is committed to behave ethically and contribute to economic development, improvement of labor, family, local community, and society quality of life.

RELIANCE actively recognizes its corporate social responsibility. It provides free/lower cost medicines to various NGO and arranges awareness and medical check-up camps for psychiatric patients where medical assistance is offered at quite affordable price.

RELIANCE involved in actions that consider the well-being of society by offering financial support and managing various sustainable projects, targeting social and economic issues, leading public health awareness campaigns, and investing in health projects.

RELIANCE not only considers their profitability and growth, but also the interests of society and the environment by taking responsibility.
