

Company Profile:

About Us

Incorporated in 2010, **Indo Rama Pharma** is a fast-growing, innovation-driven pharmaceutical company in India committed to offering high-quality, reliable healthcare solutions. Co-founded by Mr. Ankur Aggarwal and Mr. Gaurav Jindal, the company operates under strict international compliance standards, including WHO-GMP, ISO, FDA, and FSSAI certifications.

Our Capabilities & Services

Indo Rama delivers a comprehensive product portfolio, including Softgel capsules, Tablets, Hard Gelatin Capsules, Oral Liquids (Syrups), Powders, and Sachets for both pharmaceutical and nutraceutical applications.

Global Reach & Commitment

As a trusted partner in contract and third-party pharmaceutical manufacturing, Indo Rama is dedicated to producing effective formulations, offering competitive pricing, and ensuring time-bound dispatches—continuously striving to enhance lives and healthcare outcomes worldwide.
