Make Health a HABit

ABOUT US

HAB PHARMACEUTICALS & RESEARCH LTD. was incorporated in the early 1980's and is led by experienced technocrats, supported by a highly motivated team of professionals. Today, HAB Pharmaceuticals & Research Ltd. is a force to be reckoned with in the field of pharmaceutical formulations. Guided by the philosophy of "satisfaction and growth through customer service, product quality, and innovation," HAB Pharmaceuticals & Research Ltd. enjoys a high level of confidence among its customers. HAB has ultra-modern manufacturing facilities with WHO-GMP certification, along with several international accreditations, located at Dehradun and Vasai (near Mumbai).
