ABOUT US

SUBHODYA LIFESCIENCES PVT. LTD. is a trusted manufacturer of I.V. Fluids and Parenteral solutions, committed to delivering safe, effective, and high-quality healthcare products. With a strong focus on innovation, quality assurance, and patient safety, we manufacture pharmaceutical products that meet stringent national and international quality standards.

Our state-of-the-art manufacturing facility is equipped with advanced technology and follows **WHO-GMP compliant** manufacturing practices to ensure consistent quality and reliability. Every product undergoes rigorous quality control procedures from raw material selection to final packaging.

Driven by excellence, integrity, and continuous improvement, we strive to support healthcare professionals and institutions with dependable infusion and parenteral solutions that contribute to better patient care. Our commitment to quality, timely delivery, and customer satisfaction has earned us the trust of hospitals, distributors, and healthcare providers across the industry.

In-House Laboratory

Our state-of-the-art In-House Laboratory is equipped with advanced analytical instruments and operated by experienced professionals to ensure the highest standards of quality, safety, and compliance. Every batch of raw materials, in-process samples, and finished products undergoes rigorous testing in accordance with established quality standards before release.

Our laboratory is committed to maintaining product consistency, accuracy, and reliability through comprehensive physical, chemical, and microbiological testing, ensuring that every product meets the required regulatory and quality specifications.

- Advanced Analytical Testing
- Physical, Chemical & Microbiological Analysis
- Batch-wise Quality Verification
- Qualified & Experienced Quality Control Team
- Compliance with GMP & Regulatory Standards
- Accurate Documentation & Traceability

we are dedicated to improving lives through quality healthcare solutions.

Sr.No	PRODUCT	Pack Size	Brand Name
1	Dextrose Injection IP (10% w/v)	500ml	D 10
2	Dextrose Injection IP (5% w/v)	500ml	D5
3	Dextrose Injection IP (25% w/v)	100ml	SLS-D25%
4	Sodium Chloride & Dextrose Injection IP (0.45% w/v & 5% w/v)	500ml	0.45% DNS
5	Sodium Chloride IP 0.9%	100ml	SLS 0.9% NS
6	Sodium Chloride Injection Usp 3.0 W/V	100ml	SLS-3% NS
7	Sodium Chloride & Dextrose Injection IP (0.9% w/v & 5.0% w/v)	500ml	DNS
8	Sodium Chloride Injection IP (0.9% w/v)	500ml	NS
9	Sodium Chloride Injection USP (0.45% w/v)	500ml	0.45% NS
10	Compound Sodium Lactate Injection IP (Ringer Lactate solution for Injection)	500ml	RL
11	Multiple Electrolytes & Dextrose Injection Type III IP (Electrolytes-M)	500ml	(Electrolytes-M)
12	Multiple Electrolytes & Dextrose Injection Type I IP (Electrolytes-P)	500ml	(Electrolytes-P)
13	Metronidazole Injection IP	100ml	SUBHOZOLE
14	Paracetamol Infusion IP	100ml	SUBHOMOL
15	Mannitol Injection IP (20.0% w/v)	100ml	SUBHOTOL
16	Ciprofloxacin Injection IP	100ml	SUBHO C FLOX
17	Levofloxacin Infusion IP	100ml	SUBHO L FLOX

PRODUCT BRIEF

Our range of I.V. Fluids & Parenteral Products is manufactured using advanced technology under stringent quality control systems to ensure safety, efficacy, and consistent performance. Designed to meet the needs of modern healthcare, our products provide reliable solutions for hospitals, clinics, and healthcare professionals.

- High-Quality I.V. Fluids & Parenteral Products
- Manufactured under stringent quality standards
- Advanced manufacturing technology
- Reliable support for hospitals & healthcare professionals
- Consistent safety, efficacy & performance
- Rigorous quality control & testing
- Available in multiple pack sizes
- Committed to quality healthcare solutions

Manufacturing Capabilities

SUBHODYA LIFESCIENCES PVT. LTD. is equipped with advanced manufacturing facilities and modern technology to produce high-quality I.V. Fluids & Parenteral Products. Our streamlined manufacturing processes, stringent quality systems, and skilled workforce ensure consistent product quality, safety, and regulatory compliance.

Advanced Technology

At SUBHODYA LIFESCIENCES PVT. LTD., we leverage advanced pharmaceutical manufacturing technology and modern production systems to manufacture high-quality I.V. Fluids & Parenteral Solutions. Our facility is designed to support efficient, hygienic, and controlled manufacturing processes while ensuring product safety, consistency, and reliability.

Key Highlights

- Equipped with advanced manufacturing technology for the production of I.V. Fluids & Parenteral Solutions
- Designed to support efficient, hygienic, and controlled manufacturing processes.
- Stringent quality control measures ensure consistent product quality and reliability.
- Advanced filling, sealing, and packaging systems help maintain product integrity.
- Comprehensive in-house quality testing at every stage of production.
- Clean and controlled manufacturing environment following applicable pharmaceutical quality standards.

High Production Capacity

Our manufacturing infrastructure is designed to support efficient, scalable, and high-volume production to meet the growing demands of hospitals, healthcare institutions, and distribution partners. With optimized production planning and stringent quality systems, we ensure timely delivery without compromising product quality.

- Efficient & Scalable Manufacturing Facility
- High-Volume Production Capability
- Optimized Production Processes
- Consistent Batch-to-Batch Quality
- Advanced Filling & Packaging Systems
- Timely Order Fulfillment
- Strict Quality Assurance & Quality Control
- Reliable Supply Chain Management
- Hygienic & Controlled Manufacturing Environment
- Commitment to On-Time Delivery

Customization Options

At SUBHODYA LIFESCIENCES PVT. LTD., we provide flexible manufacturing and packaging solutions to meet the specific requirements of our customers and business partners.

Our Customization Services

- Private Label Manufacturing
- Third-Party Manufacturing
- Custom Product Branding
- Customized Packaging Solutions
- Flexible Pack Size Options
- Client-Specific Label & Artwork Development
- Bulk Supply for Institutional & Export Markets
- Packaging Solutions as per Customer Requirements

WHY CHOOSE US?

Experienced Technical Team

Our team of qualified professionals is dedicated to delivering excellence in the manufacturing of I.V. Fluids & Parenteral Products. With extensive industry knowledge and technical expertise, we ensure precision, consistency, and quality throughout every stage of the manufacturing process.

Advanced Manufacturing Facility

Our modern manufacturing facility is equipped with advanced production technology and efficient manufacturing processes to deliver high-quality I.V. Fluids & Parenteral Solutions while maintaining operational excellence and product consistency.

Timely Delivery

With efficient production planning and a reliable supply chain, we ensure timely order fulfillment and dependable delivery to hospitals, distributors, and healthcare institutions.

Commitment to Quality

Quality is at the core of everything we do. Our products are manufactured under stringent quality management systems and undergo comprehensive quality control testing to ensure safety, reliability, and consistent performance before reaching our customers.

Competitive Pricing

By optimizing our manufacturing processes and operational efficiency, we offer high-quality pharmaceutical products at competitive prices, delivering exceptional value to our customers and business partners.

Customer-Centric Approach

We are committed to building long-term partnerships by offering reliable products, responsive customer support, flexible manufacturing solutions, and consistent service that meet the evolving needs of the healthcare industry.

OUR STRENGTHS

- High-Quality I.V. Fluids & Parenteral Products
- Advanced Manufacturing Technology
- Stringent Quality Assurance & Quality Control
- Modern In-House Laboratory
- Experienced Technical Team
- Efficient Production & Supply Chain
- Competitive Pricing
- Timely Delivery
- Customer-Focused Services
- Commitment to Continuous Improvement
