

COMPANY PROFILE

OUR MISSION

A company in the service of patients and customers through ethical practice, safe, reliable and quality products

OUR VISION

- We aspire to be a premier manufacturer of quality medicine in the world.
- We strive to be the most trusted, admired and successful Pharmaceutical manufacturing company in the globe.

ABOUT US

Tachyons Lifescience Pvt. Ltd., a premier pharmaceutical manufacturing company dedicated to provide high-quality, innovative, and cost-effective solutions for the healthcare industry. With a strong commitment to excellence, we specialize in the manufacturing of Tablet, Capsules, External Preparations and Oral Liquids with assurance of the highest standards of safety, efficacy, and compliance.

We support companies by providing third party manufacturing solutions and private label solutions with the quality products so that they can concentrate on product branding and marketing. We support companies / Export house in the export business by providing quality products with the data required for registration.

Currently our manufacturing plant having GMP manufacturing licence. The manufacturing facility is designed up to the standards of the EU-GMP and PIC/S.

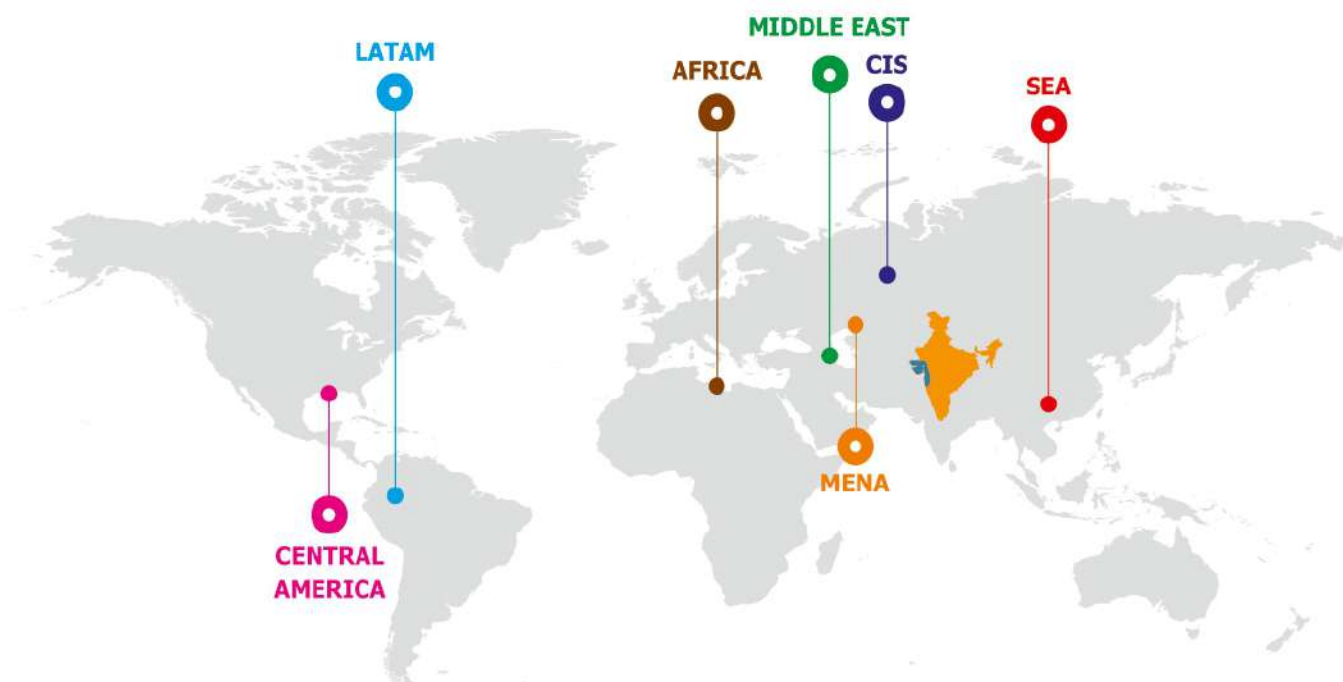

We can manufacture all general range of products like Anti-diabetics, Cardiac, Central Nervous system, Gastrointestinal, Gynaecological, Anti-allergic, Anti-infective and other supplement categories.

Manufacturing facility is constructed around 85,000 Sq ft with dedicated product development area, manufacturing area, quality control, quality assurance and utilities.

This manufacturing facilities can be able to cater the demands of India and other geographies i.e. Europe, Latin America, South-East Asia, CIS, Middle East and Africa etc.

GLOBAL PRESENCE

WHO WE ARE

TACHYONS LIFESCIENCE PVT. LTD. is a professionally managed Private Limited Organization company. It is an emerging manufacturing company established by the dedicated and experienced team.

TACHYONS LIFESCIENCE PVT. LTD. manufacture, high quality generic and cost effective medicines. We constantly upgrading our state of the art manufacturing facility with an eye in R & D for developing innovative, reliable, cost effective and quality products.

We are strengthening our global focus by consolidating and deepening our presence in the key market of **SEA, CIS, MENA, MIDDLE EAST, AFRICA, LATAM, CENTRAL AMERICA** and other emerging world.

PRODUCTION CAPACITY

Sr. No.	Dosage Form	Annual Capacity (Million)
1	Tablets	804-1000 Million
2	Capsule	384-432 Million
3	Oral Liquid	15-20 Million
4	Topical	10 Million

TABLETS

ANTIBIOTIC

Azithromycin Tablets	250 mg/500 mg
Ciprofloxacin Tablets	250 mg/500 mg
Clarithromycin Tablets	250 mg/500 mg
