

One of the Trusted API Pharma Company.

**Pioneering
Innovations in
Nutraceuticals &
API Manufacturing**

One of the Trusted API Pharma Company.

Vaibhav Fine Chem, is a pioneering name in the realm of fine chemical manufacturing. Specializing in the production and supply of Active Pharmaceutical Ingredients (APIs) and pharmaceutical intermediates, we are committed to enhancing healthcare through high-quality chemical solutions. Our products play a vital role in the development of effective and safe pharmaceutical formulations, addressing global health challenges with innovation and excellence. Vaibhav Fine Chem is a leader in the production and supply of premium Active Pharmaceutical Ingredients (APIs) and pharmaceutical intermediates. With a steadfast commitment to quality, innovation, and customer satisfaction, we provide the essential building blocks for a healthier world.

About Us

Why Choose Vaibhav Fine Chem?

Cutting-edge Manufacturing

Our state-of-the-art facilities incorporate advanced technology and precision in every production phase, ensuring each product meets the highest standards of purity and effectiveness.

Reliable Quality

We maintain strict quality control processes that exceed industry benchmarks, consistently delivering products with unmatched reliability and consistency for our clients.

Strong R&D Focus

With a dedicated R&D team, we invest in continuous innovation to stay ahead in API development, creating solutions that enhance healthcare treatments and cater to evolving market needs.

Sustainable Practices

At Vaibhav Fine Chem, we are committed to eco-friendly manufacturing practices. From waste reduction to energy-efficient operations, sustainability is at the core of our processes, aligning our growth with environmental responsibility.

API PRODUCT LIST

Sr. No.	Products	Therapeutic Areas	Cas
1	Iron (III) Hydroxide Polymaltose	Iron deficiency Anemia.	79173-09-4
2	Iron Sucrose Powder / Liquid	Iron deficiency Anemia	8047-67-4
3	Iron Polysaccharide	Iron deficiency Anemia	9004-66-4
4	Iron protein succinylate	Iron deficiency Anemia	93615-44-2
5	Ferric Maltol	Iron Deficiency Anemia	33725-51-1
6	Ferric Citrate	Iron Deficiency Anemia	3522-50-7
7	Sodium Feredetate	Iron Deficiency Anemia	15708-41-5
8	Bronopol	Antimicrobial Agent	52-51-7
9	Disulfiram	Treatment of alcohol dependence	97-77-8
10	Monosulfiram	antiscabietics and Anthelmintics	95-05-06
11	Naftifine Hydrochloride	Anthelmintic	65473-14-5
12	Tigecycline	Antibiotic	220620-09-7

INTERMEDIATE

1	Diethyl azodicarboxylate	1972-28-7
