Launched in 1986

A good reason to trust!

Founded with a vision to excel in engineering and consultancy sector, We focus on delivering practical and enduring results, which bonds our client relationships long-lasting.

80%

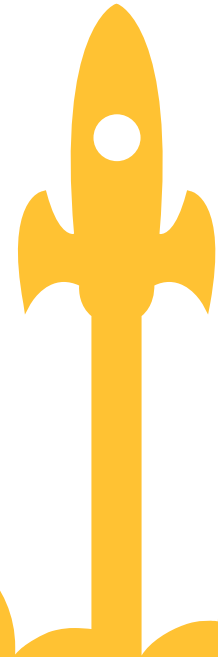

business comes from
repeat client

40%

of these relationships
exceeding 10 years

“Deep trust comes
from enduring results”

:-Chairman

We are DCPL

- One of the leading **Turnkey Projects Engineering Consultant** in India for **Pharmaceutical, Biotech, API, Nutraceutical, Medical Devices, Cosmetic, Healthcare sector & Food Industries**.
- Doshi Consultants Pvt. Ltd. was founded in 1986 with a vision to excel in engineering and consultancy sector.
- An **ISO: 9001-2015** certified company.
- Providing **Sustainable Building Design, Green Building Concept, Energy Efficient & Economical design**.
- Successfully completed **700+ projects in last 40 years as per WHO GMP, USFDA, MHRA, EU Guideline and other International Regulatory Standard**, involving all the services like **pharmaceutical engineering, Architectural / Structural / Civil / Mechanical/ Process Engineering / Electrical / HVAC / Utility & BMS** supply & installation.
- We do the complete project from **concept to commissioning, qualification & validation** to complete the project in time with quality and economy. Our designs are energy efficient and very much cost effective.
- Our **designs are customized to suit the clients need, budget, level of automation** and desired international accreditation.
- Doing **Projects in India, Europe, Middle-East , Russia ,Africa and USA** etc.
- Offices at **Indore, Mumbai, Ahmadabad, Sikkim, Bangalore & Local representative at Germany , USA, Dubai**.
- Fully equipped with **latest software & design tools**.

Mission Statement

MISSION

To Provide Innovative Approach to Create Versatile & Ultra Modern Pharmaceutical & Biotech Facility as per International Regulatory Compliance

VISION

To be a globally respected corporation, that, provides best-of-breed business solutions, leveraging technology, delivered by best-in-class people.

PURPOSE

We have the knowledge, skill and passion to allow our clients to create and manufacture life impacting products around the world.

Members on Board

Key Experts

Mr. K.K. Doshi – Chairman

42 Years Experience

650+ Facilities Designed and executed facilities approved by USFDA, WHO GMP etc. Expertise in Civil, Structural & Architectural.

Dr. B.K. Doshi - Managing Director

40+ Years Expertise

Designs pharmaceutical, biotech, oncology, and food industry facilities. Designed more than 650+ facilities approved by USFDA, EU, PIC/s, WHO GMP, EMEA, MHRA etc.

Mr. Siddharth Doshi - Executive Director

15+ Years Experience

Specializes in pharmaceutical facility planning and design as well as validation, qualification. Designed more than 650+ facilities approved by USFDA, EU, PIC/s, WHO GMP, EMEA, MHRA etc.

Mr. Shubham Doshi – Director (Business Development & Finance)

15+ Years Experience

Specializes in Coordinating with company executives, sales and marketing professionals. Reviewing current market trends and proposing new business ideas to improve revenue. business growth and optimizing marketing strategies. networks

Dr. P.Y. Guru - Technical Director

44 Years Experience

Design and management of BSL, vaccine, and biotech facilities. Experienced with rodents, transgenic animals, and large animal breeding.

Mr. Shankar – Engineering Head

35+ Years Expertise

Designs & Coordination of pharmaceutical, biotech, API, oncology, and food industry facilities as per USFDA, EU, PIC/s, WHO GMP, EMEA, MHRA etc.

Mr. Douglas Kelly - Consultant

35 Years Experience

Expert in GMP, technology consulting, utilities, and sterile applications. Designed over 300 projects worldwide in pharma and biotech.

Mr. P.N. Rao (QA & Regulation)

25+ Years Expertise

Experience in quality unit – QC, QA Compliance and regulatory affairs in pharmaceutical sector. Actively involved in QMS like FDA, cGMP, EU-GMP, WHO-GMP.

Key Experts

Mr. Sayed Irfan Ali (GM Projects)

35+ years in project execution and engineering for pharma facilities. Expertise in HVAC, BMS, Electrical, Utilities, Automation & Process Equipments.

Mr. Sanjay Bhargava (GM Projects)

33 years managing mechanical & Utilities, Process equipments and instruments.

Mrs. Sunita Rawlani (Sr. Structure Engineer)

25+ years of experience and is expertise in Structural design of Industrial buildings pharmaceutical & other engineering Industries.

Abdul Rahuf (Architect)

Expertise in architectural layout, master planning, building elevation, section, master in interior designing in institutional and non-institutional projects

Dr. Stanislav Ferzik - Biotechnology Expert

30+ year Expertise in biotech processes, sterile applications, and clean room design as per GMP, FDA plant design, risk analysis, validation, and ISPE guidelines.

Mr. Bhushan Kulkarni (Gm – Projects)

28+ years of experience in design & coordination of Pharmaceuticals , API, Bulk Drug , formulation, Food, Aluminium Extrusion Plant and Irrigation Projects.

Mrs. Preeti Sharma (Coordinator)

18+ years of experience in coordination and help the project team, manage resources and information and assist with scheduling and planning project activity.

Mrs. Tanvi Sawner (Coordinator)

7+ years of experience in coordination and help the project team, manage resources and information and assist with scheduling and planning project activity.

Services Offered

- Preliminary Study
- Concept Planning
- Basic Engineering
- Detailed Engineering
- Procurement Services
- Construction Management
- Commissioning
- Validation

Design Services

CONSULTING

- Technical Due Diligence
- Debottlenecking
- GMP audits
- Strategic Planning
- Assessments

MASTER PLANNING

- Short/Long Term Planning
- Products / Process / Facility
- Plot Plan Development
- Future Proofing

CONCEPTUAL DESIGN

- Layout design
- Men-Material Movement
- +/-25 to 30% Cost Estimates
- L1 Project Schedule

BASIC DESIGN

- Design Basis
- Room Cards / books
- Equipment Lists
- Preliminary Plans
- Flow Diagrams
- +/-15 to 20% Cost Estimates
- L2 Project Schedule

DETAILED DESIGN

- Tender Packages
- Long Lead Packages
- Issue for Design documents
- L3 / L4 Project Schedule
- IFC documentation
- ±10% project cost estimate

CONSTRUCTION ADMINISTRATION

- Shop Drawings
- Submittal Reviews
- RFI's
- FAT's
- Site Visits
- Construction Support

CLOSE OUT

- Shop Drawings
- Submittal Reviews
- RFI's
- FAT's
- Site Visits
- Construction Support

Construction Management **Services**

PRE-CONSTRUCTION

- Constructability Reviews
- Site Logistics Planning
- Strategic Partnering
- Conceptual/ROM Estimating
- Detailed Estimating
- Lump Sum Estimates
- Cost Benchmarking

LEAN PROJECT DELIVERY

- Integrated Project Delivery
- BIM / 3D Modeling

PROJECT CONTROLS

- Cost Planning & Scheduling
- Change & Scope Management
- Project Forecasting
- Earned Value Analysis
- Risk Analysis

SAFETY

- Risk Assessment
- SOR & Leading Indicator Programs
- Safety Incentive Scheme
- Site Inspections & Audits
- Trade and Owner Trainings

PROCUREMENT

- Pre-Qualification
- Bid Analysis
- Equipment / Tender Procurement Support
- TBA / CBA / TR
- Inspection and Expediting
- Vendor drawing review

FIELD OPERATIONS

- Project Management
- Site Supervision
- Subcontractor Management
- Document Controls
- Contract Administration
- Quality Assurance

COMMISSIONING

- Start-Up Coordination
- Commissioning support Services
- Punchlist Management
- Project Close-Out Documents

SUSTAINABILITY

- Sustainability Consulting
- For Green building
- Energy and Water Conservation
- Waste/Recycling Strategy
- Sustainable Material Optimization

Compliance **Services**

CGMP CONSULTING

- Assessments
- Mock FDA Inspections
- Gap Assessments
- Consent Decree Remediation

CGMP DESIGN REVIEWS

- CGMP Requirements (FDA/EU)
- Compliance with Regulations
- "Design for Compliance"

STRATEGY/VMP

- Define Life Cycle CQV Requirements and Strategy
- Risk Based CQV SME

COMMISSIONING

- Turn Over Packages
- Installation Inspections
- Functional Testing
- LEED Certification

QUALIFICATION

- Installation
- Operational & Performance Qualification Writing & Execution

VALIDATION

- Cycle Development
- Process Cleaning
- Computer Systems
- Analytical Methods Validation
- EM Program Development

OPERATIONAL READINESS

- Quality System Development
- Calibration & Maintenance Programs

First API Manufacturing Facility at Egypt for General & Cephalosporin Product

A Significant Global Milestone for Doshi Consultant Pvt. Ltd., Indore (India) on 15th January 2026 at Cairo - Egypt.

Doshi Consultants Pvt. Ltd. is honoured to be associated with **Arab API**, the **first Active Pharmaceutical Ingredient (API) manufacturing facility in Egypt and the Middle East**. We are proud to share that on 15th January 2026, Hon. Dy. Prime Minister of Egypt, Ministry of Industry and First Secretary Economy & Commerce Embassy of India, Other ministers of Egypt, Chairman of ACDEMA, Chairman of Arab API, laid the foundation stone. We at Doshi Consultant Pvt. Ltd. are honoured to serve as the Principal Project Consultant for this landmark initiative and providing Turnkey Technology and Engineering Services (EPC) as per international regulatory standards. It is great moment for Indian Pharma, API Manufacturers & Machine Manufacturers for collaboration business development to strengthen our strategic partnership and export with Egypt and African Countries.

Gujarat Biotechnology Research Centre

Project Highlights :

- ❑ Location: Gandhinagar
- ❑ Project Type: BSL 2,3 & 4 Facility with ABSL.

Gujarat Biotechnology Research Centre

BSL 2,3 & 4 BIO CONTAINMENT RESEARCH FACILITY WITH ABSL

Exciting Milestone for India's Biotech Sector!

We are proud to share that today, 13th January 2026, **Honorable Home Minister Shri Amit Shah and Honorable Chief Minister of Gujarat Shri Bhupendra Patel** laid the foundation stone for India's upcoming **State-of-the-Art BSL-4 and BSL-3 Bio-Containment Facility** at Gandhinagar, under the **Gujarat Biotechnology Research Centre (GBRC)**. This visionary project, inspired by our **dynamic Prime Minister Shri Narendra Modi**, marks a significant step towards strengthening India's position in the global biotech market and advancing the mission of **Atma Nirbhar Bharat**.

We at **Doshi Consultant Pvt. Ltd.** are honored to serve as the **Principal Engineering Consultant (PEC)** for this landmark initiative. Our team has successfully delivered the complete design and planning in collaboration with leading biosafety experts from Switzerland, ensuring compliance with international guidelines. This facility will be a game-changer for India, enabling cutting-edge research

BSL 2, 3 & 4 BIO CONTAINMENT RESEARCH LABORATORY WITH ABSL FACILITY AT GANDHINAGAR

Achievements

Testimonial / Certificates

The image features a person in a dark grey suit, seen from the side, holding a bright yellow hard hat. The background is a blurred construction site with cranes and building frameworks, all under a warm, yellowish-orange sky. The overall composition suggests a professional role in construction or project management.
