**-Sanctity in Quality-**

[www.sanctusglobal.com](http://www.sanctusglobal.com)

### ***From the desk of directors....***

As our motto speaks “Sanctity in Quality”, we believe that the quality of our product is our utmost priority and is sacred to us. Keeping the same in mind, our team of expert's work devotedly to make sure our product's quality throughout its lifecycle is consistent. We have a dedicated team and a world- class manufacturing facility to provide the quality product and customer satisfaction for mutual growth.

Sanctus Global would like to express our deepest gratitude towards our clients for their firm faith in us and our entire team for their endless effort and support to make us the most preferred organisation.

**Sanctus Global Formulations Limited** is the manufacturing arm of the Sanctus Global group, a young, vibrant organization that is committed to deliver quality pharmaceutical products and customer service beyond compare.

We, **Sanctus Global Formulations Limited**, would like to use this opportunity to introduce ourselves as the manufacturer of the pharmaceutical formulation in Baddi, Himachal Pradesh, India, and the corporate office in Sector 17, Chandigarh, India.

**Sanctus Global Formulations Limited** has a world-class oral solid dosage form manufacturing facility for tablets, capsules, DC granules.

## **Our Mission**

Total Customer Satisfaction

Stringent Product Quality and Strict in-process checks

To Deliver the Highest Standard of Pharmaceutical products at the most affordable prices to those in need.

## **Our Vision**

We aspire to be the most admired and preferred organisation with our commitment of delivering high quality products and customer satisfaction by continuously consolidating our position as one of the leading pharmaceutical company serving to domestic and international market which we will achieve by strengthening mutually beneficial relationship and confidence with our esteemed customer, suppliers & all stakeholders.

Our goal is to work closely with pharmaceutical companies of India and to become a significant global player in International market.

We aspire to enrich our people (our driving force), to become highly competent professionals and technology driven and updated to the latest regulatory norms.

## Milestones:

**2000**

**Crescent Therapeutics Ltd.** Incorporated for establishing an Ultra-Modern (leading edge,) Pharma facility in Baddi

**2008**

The state of art plant commissioned confirming to **WHO GMP** standards

**2016**

New Management took over **Crescent Therapeutics Ltd.** Chandigarh Based Joshi Family having more than 30 year of Business Experience, Upgraded the Manufacturing facilities & stalled Modern Machineries

**2018**

Crescent Therapeutics was renamed as **Sanctus Global Formulations Ltd.**

**2019**

**Sanctus Global** entered into global market following registration in several countries

**2023**

**Sanctus Global** got its DCGI molecule approval for Fixed Dose Combination

**CUSTOMER ORIENTED**

**INTEGRITY**

**COLLABORATION**

**RESPECT**

**SAFETY**

**EXCELLENCE**

## QUALITY POLICY

We stand committed  
TO  
Manufacture & deliver High quality pharmaceutical  
products within time frame at competitive price  
Through  
Comprehensive Quality Management System by  
complying & adhering with the applicable quality regulations,  
codes & standards, national & international current Good  
manufacturing practices

# A Perfect Duo to Safely Manage Diabetes...

## Dapagliflozin 10mg + Sitagliptin 100mg TABLETS

### Dapagliflozin:

- Sodium-glucose cotransporter 2 (SGLT2) inhibitor
- Reduces renal glucose reabsorption thus increases urinary glucose excretion

### Sitagliptin:

- Dipeptidyl peptidase-4 (DPP-4) inhibitor
- Increases the levels of active incretin hormones thus stimulates insulin secretion

### Combination:

- Reduces HbA1c, fasting blood glucose and postprandial blood glucose levels

### INDICATIONS

**Type-2 Diabetes Mellitus**

**Sanctus Global Formulations Limited**  
(WHO-GMP & ISO 9001:2015 Certified Company)
