OVERVIEW

## The joy of growing up at Kilitch

With over **45+ years of expertise,** Kilitch Drugs has become a trusted name in the pharmaceutical industry, synonymous with quality and innovation.

"We value your health" is not just a slogan but a philosophy that shapes every step we take.

Established in 1978 by the visionary Late Mr. Pratap Mehta, Kilitch has continually embraced opportunities to innovate and grow. Over the decades, our commitment to excellence, strategic collaborations, and entry into new markets has transformed us into a globally recognized, customer-centric organization.

Kilitch takes pride in its state-of-the-art facilities, including one of India's premier units for Cephalosporin, General Injectable, OSD, Effervescent, Lyophilized Powder, and Sterile Dosages, alongside Africa's largest Cephalosporin facility in Ethiopia. With technical collaborations across Sudan, Yemen, UAE, and Ethiopia, we produce a wide range of dosage forms-Parenteral, SVP, Ophthalmics, Liquid, Effervescent, and Solid formulations.

Today, Kilitch's global footprint spans over 40+ countries. As we develop cutting-edge facilities and pioneering projects, our singular mission remains steadfast-Making the world a healthier place.

We remain very committed to delivering innovative and high-quality solutions and making meaningful contribution to the communities we operate in.

## Our holistic approach is symbolised in wellbeing.

Our approach is rooted in holistic wellbeing, which we embody through three key dimensions.

First, we ensure the wellbeing of our company by fostering a culture of integrity, innovation, and sustainable growth.

Second, we prioritize the wellbeing of our users by delivering safe, effective, and accessible healthcare solutions that improve patient outcomes.

Lastly, we extend our commitment beyond immediate stakeholders by actively engaging in social responsibility and environmental stewardship, contributing to healthier communities and a sustainable future.
