(26 Years of Excellence in Healthcare)

AT A GLANCE

Dallas Pharma was founded in 1998 in Vadodara, Gujarat, India with a vision to enhance global healthcare access. Our mission is to provide affordable, high-quality medicines, ensuring that health solutions are accessible to all.

In the journey of 26 years, Dallas Group has built a strong legacy of Excellence & Trust by delivering consistent quality and proven results of our medicines and earning confidence of healthcare professionals across PAN India as well as Globally for our therapeutic product range, which includes **Anti-Cough & Cold, Anti-Inflammatory, Analgesics, Anti-pyretics, Anti-Histaminics, Antibiotics, Antimicrobials, Oral Care, Anti-Asthmatic, Anti-Emetic, PPI, Pediatric products, Anti-Ulcer, Anti-Diabetic, Anti-Hypertensive, Anti Convulsants, Obstetrics & Gynecology (OB/GYN), Urology, Erectile Dysfunction Products, Nerve Stimulates, Enzymatic products, Iron, Vitamins & Calcium Supplements, Methylcobalamins combinations** in drug formulations through wide range of products esp. DCGI/ CDSCO approved formulations.

Dallas Pharma Group has established a strong brand identity through its state-of-the-art manufacturing facilities, certified with **WHO-GMP** and **ISO 9001:2015** i.e. **Dallas Formulations Pvt. Ltd. & Dallas Drugs Pvt. Ltd.** in Baddi, Himachal Pradesh. This infrastructure has allowed us to expand our marketing network across India via the marketing verticals of Almed Drugs, Derma Care, D-Star, Al-Star and upcoming Gyno Care, Nutraceutical & Cosmetic division as well as through Regulatory compliances for exporting to Asian & African countries.

We are proud to serve as a trusted **B2B** supply chain partner to 80+ leading pharmaceutical companies, including **Alkem Laboratories Ltd., Aristo Pharmaceuticals, Glenmark Pharmaceuticals Ltd., Wallace Pharmaceuticals Ltd., Micro Labs Ltd., Medopharm Ltd., Laborate Pharmaceuticals, Elder Projects Ltd., Themis Medicare, Mypher Pharmaceuticals, Aglowmed**, etc.

Our journey continues with the motto of **"We Love to Care"** with the aim to provide Quality Medicines at Affordable prices for the ailing masses Worldwide.
