How we Deliver our Services :

We operate on following different customized manufacturing, Branding and Packaging Models:

1. Our Formula – Your Brands – Your Packaging
2. Your Formula – Your Brand – Your Packaging
3. Your Formula Idea – Our Development – Your Brand and Packaging
4. Technology Transfer
5. Bulk Manufacturing and bulk Packaging at our Location and Packaging of Finished products in small size at your Location.
6. Joint Venture.
7. Contract Manufacturing with following options:

Option A

"Sugam Healthcare LLP as Third Party manufacturer"

"In This option, following will be details on finished products packing material:"

MfgLic. No.: GA/1516
Manufactured by:
Sugam Healthcare LLP
Plot No. 1110, Sarigam GIDC,
Gujarat, India 396155

Marketed by or Manufactured For
or Distributed by:
Your Company Name
Your Company's address

Option B

"Neutral Code"

"Neutral Code means there will be no name of our company Sugam Healthcare LLP and address"

In This option, following will be details on finished products packing material:

Code No.: GUJ/GA/1516
Marketed by or Manufactured
For or Distributed by:
Your Company Name
Your Company's address

Option C

Loan Licensing

In this option we will apply Loan license for you, in the name of your company. (Time Consuming Process) In This option, following will be details on finished products Packing material:

MfgLic. No.: XXXXXX (Once we apply then new license number will be issued by FDA for you)
Manufactured by:
"Your Company name"
At: Plot No. 1110, Sarigam GIDC,
Gujarat, India 396155

WORRY ABOUT DOSSIER ?

We supporting our Buyer's with one stop solution by providing following services:

- **In-house Product artwork Design:**

Our Technical team will support you for designing your product's artworks like Label, Leaflet, Mono carton, Shipper label etc.

- **Packing Material selection:**

Our Highly Experience technical staff will provide you support in terms of selection of PET or HDPE Bottle, Cap, Jars, Labels, Mono-cartons, outer cartons for elegant look of your finished product.
