(1000 Liters/8 Hrs.)

How we Deliver our Services

We operate on following different customized manufacturing, Branding and Packaging Models:

1. Our Formula - Your Brands - Your Packaging
2. Your Formula - Your Brand - Your Packaging
3. Your Formula Idea - Our Development - Your Brand and Packaging
4. Technology Transfer
5. Bulk Manufacturing and bulk Packaging at our Location and Packaging of Finished products in small size at your Location
6. Joint Venture.

Contract Manufacturing with following options:

A Option

"Sugam Healthcare LLP as Third Party manufacturer"

"In This option, following will be details on finished products packing material:"

MfgLic. No.: GA/1516

Manufactured by: Sugam Healthcare LLP
Plot No. 1110, Sarigam GIDC, Gujarat, India 396155

Marketed by or Manufactured For or Distributed by:
Your Company Name
Your Company's address

B Option

"Neutral Code"

"In This 'Neutral Code' means there will be no name of our company Sugam Healthcare LLP and address"

"In This option, following will be details on finished products packing material:"

MfgLic. No.: GUJ/GA/1516

Marketed by or Manufactured For or Distributed by:
Your Company Name
Your Company's address

C Option

"Loan Licensing"

"In this option we will apply Loan license for you, in the name of your company. (Time Consuming Process) In This option, following will be details on finished products Packing material:"

MfgLic. No.: XXXXXX (Once we apply then new license number will be issued by FDA for you)

Manufactured by: "Your Company name"
At: Plot No. 1110, Sarigam GIDC, Gujarat, India 396155

05 Worry About Dossier?

We supporting our Buyer's with one stop solution by providing following services

In-house Product artwork Design:

Our Technical team will support you for designing your product's artworks like Label, Leaflet, Mono carton, Shipper label etc.

Packing Material selection:

Our Highly Experience technical staff will provide you support in terms of selection of PET or HDPE Bottle, Cap, Jars, Labels, Mono-cartons, outer cartons for elegant look of your finished product.

Documents supports for Registration of Products domestic and overseas.

We are supporting our Buyer's by providing Documents supports with various types of the documents, for compliance and registration of their products in various Regulated and Semi regulated countries, so they can easily achieve their goal for quick registration of the products.

We can fulfill buyer's requirement with following types of documents:

- 01, Product Permission
- 02, Free Sale Certificate
- 03, Certificate of pharmaceutical Products
- 04, Active and inactive Ingredients Specifications
- 05, Active and inactive Ingredients Method of analysis
- 06, Active and inactive Ingredients Certificate of analysis
- 07, Packing Material Specifications
- 08, Packing Material Method of Analysis
- 09, Packing Material Certificate of analysis
- 10, Finished Products Specification

- 11, Finished Products Certificate of analysis
- 12, Finished products method of analysis
- 13, Stability Studies of Finished Products
- 14, TSE-BSE Certificates for Products
- 15, Process Validation
- 16, Batch Manufacturing Formula
- 17, Batch Manufacturing report
- 18, Various other certificates as per requirement of the Buyer
- 19, MSDS (Material Safety Date Sheets)
