Our Manufacturing Unit

About Us

Founded in 2006, Shamshree Lifesciences has State-of-the-Art World Class WHO GMP-GLP Certified Manufacturing Plant at BADDI (H.P.), India.

The Company specializes in manufacturing of Dry Powder Injectable Products - Carbapenems and Cephalosporins.

Our manufacturing plant has been audited and approved by many International Accreditation and Regulatory Agencies and we are currently exporting to many countries in Africa, Latin America, Asia, Central America and CIS.

Shamshree is one of the fastest growing pharmaceutical companies in India - Focused on Delivering Global Standard Products at Affordable Prices.
