Serving Medical Profession Since 1979

"Our work is not just making medicines. It is about making a difference."

Looking back at our 4 decade, illustrious journey, that one small idea has Not only triggered us to become one of generic and specialty pharmaceutical company but also, create a foothold in over 41 countries 50% of our revenue is generated via offshore sales. As well as we have consistently been ranked amongst fast growing pharmaceutical companies in India through our subsidiaries and indirectly through active distributors .This helps us leverage our product portfolio, and sales and marketing infrastructure.

. Samson having Qualified & enrich experience RA team with eCTD, ACTD & Country Specific dossiers submission. Samson having more than 253 CoPPs and 175 dossiers.

Samson DRA is completely integrated regulatory solution for our buyers that complies electronic submission of

eCTD | Drug Master File (DMF) | Active Substance Master File (ASMF)/CEP | NeeS | SPL R4

- Dossiers in eCTD format including DMF
- Quick and intuitive construction of complex electronic submission for any regulatory authority
- Multi-country submissions with country specific requirements as per the compliant
- Mapping of documents within regional submissions

Up-to-date eCTD versions inclusive of accurate eCTD Modules, eCTD format, eCTD Structure

- Dossier assembly and compilation in eCTD format
- Initiated the implementation of electronic application (eCTD)

Samson is having its own WHO GMP approved manufacturing unit at Barotiwala (H.P)

Samson is well equipped with latest machinery for production of various dosage form i.e. Oral Liquids, Capsules and Tablets. The manufacturing and monitoring operations are being carried out by highly qualified competent Pharma Professionals with latest R&D equipped in-house lab to provide best of quality. Today our clientele include top pharmaceutical companies of india . Our wide range of products large capacities with 6 packing lines ensures that **Samson** does not fall short on its delivery commitments.

Our FnD ready to deliver formulation of your choice
