MESSAGE FROM THE FOUNDER

Dear Business Partner,

Welcome to Angia Rx Life Science Pvt. Ltd.

At Angia Rx, we believe that successful pharmaceutical manufacturing is built on quality, trust, and long-term partnerships. Every product we manufacture reflects our commitment to excellence and our responsibility toward the brands we serve.

Since 2013, we have been helping pharmaceutical companies across India and international markets with reliable contract manufacturing, private label manufacturing, and customized pharmaceutical solutions. Our focus is not only on delivering quality products but also on creating lasting business relationships through transparency, consistency, and customer-focused service.

As we continue to grow, our vision remains clear to become a trusted global manufacturing partner by investing in advanced technology, strong quality systems, and continuous innovation.

Thank you for considering Angia Rx as your manufacturing partner. We look forward to growing together and creating a healthier future.

We don't measure our success by the number of products we manufacture—we measure it by the long-term partnerships we build.

Warm Regards,

Mohit Singhal

Founder & CEO

Angia Rx Life Science Pvt. Ltd.

About Angia Rx.

Building Trusted Pharmaceutical Manufacturing Partnerships Since 2013

Established in 2013, Angia Rx Life Science Pvt. Ltd. is a trusted pharmaceutical manufacturer providing Contract Manufacturing, Third-Party Manufacturing, Private Label and Export Manufacturing solutions.

With two manufacturing facilities, we manufacture a diverse range of Tablets, Capsules, Syrups, Dry Syrups, Ointments, Lotions and Sachets, supported by modern infrastructure and robust quality systems.

With 1,400+ product approvals, 1,600+ business partners, presence across 28 states and exports to 5+ countries, we continue to grow through quality, reliability and long-term partnerships.

Quality Manufacturing. Trusted Partnerships. Growing Together.

WHY INDUSTRY LEADERS CHOOSE ANGIA RX ?

Your Trusted Manufacturing Partner

Two Manufacturing Facilities

Scalable infrastructure across multiple dosage forms.

End-to -End Manufacturing

From product development to commercial manufacturing.

Quality-Driven Operations

Robust quality systems throughout the manufacturing process.

Customized Packaging Solutions

Flexible packaging and private-label solutions for your brand.

Dedicated Customer Support

Transparent communication and long-term partnership approach.

Domestic & Export Support

Manufacturing and documentation support for diverse markets.

**"Quality Manufacturing. Stronger Partnerships. Better
Healthcare"**

Our Journey of Excellence

A Journey of Growth, Quality & Trusted Partnerships
Since our establishment in 2013, Angia Rx Life Science Pvt. Ltd. has consistently focused on expanding its manufacturing capabilities, strengthening quality systems, and building long-term relationships with pharmaceutical companies across domestic and international markets.

Every milestone reflects our commitment to operational excellence, regulatory compliance, and customer satisfaction.

OUR KEY ACHIEVEMENTS

Manufacturing Excellence

- 2 Modern Manufacturing Units
- Advanced Production Infrastructure
- Continuous Capacity Expansion

Product Portfolio

- 1,400+ Product Approvals
- Multiple Dosage Forms
- Diverse Therapeutic Segments
- Customized Manufacturing Solutions

Customer Trust

- 1,600+ Business Partners Served
- Long-Term Manufacturing Relationships
- Customer-Centric Approach
- High Repeat Business Focus

Market Presence

- Presence Across 28 States
- Export Manufacturing Support
- Domestic & International Business
- Growing Global Network

Quality & Compliance

- GMP Certified Manufacturing
- GLP Practices
- ISO 9001:2015 Certified
- Robust Quality Management Systems

Future Growth

- Capacity Enhancement
- Technology Upgradation
- Digital Manufacturing Initiatives
- Global Business Expansion

VISION 2030

At Angia Rx Life Science Pvt. Ltd., our vision extends beyond manufacturing pharmaceutical products. We aspire to become a globally trusted pharmaceutical manufacturing partner by continuously investing in technology, quality, innovation, and people.

As healthcare needs continue to evolve, we remain committed to strengthening our manufacturing capabilities, expanding our product portfolio, and building lasting partnerships that create value for our customers worldwide.

Our focus is to deliver sustainable growth while maintaining the highest standards of quality, regulatory compliance, and operational excellence.

OUR STRATEGIC GROWTH PILLARS

Global Market Expansion

Strengthening our presence in international markets through strategic partnerships and customer-focused manufacturing solutions.

Manufacturing Excellence

Expanding production capabilities with advanced technology, automation, and operational efficiency.

Product Innovation

Continuously expanding our formulation portfolio to meet evolving healthcare and market requirements.

Quality & Compliance

Enhancing our Quality Management Systems and maintaining the highest standards of regulatory compliance.

Sustainable Growth

Adopting responsible manufacturing practices that support environmental sustainability and operational efficiency.

Long-Term Partnerships

Building enduring relationships through trust, transparency, reliability, and customer success

"To become one of India's most trusted and globally respected pharmaceutical manufacturing organizations by delivering innovative, quality-driven, and sustainable healthcare solutions."
