**VITAMIN PREMIXES**

**VITAMINS & MINERAL BLENDS**

**CUSTOMIZED VITAMIN BLENDS**

Comprehensive Solutions for Vitamins, Vitamin &  
Mineral Premixes and Customized Vitamin blends for  
Nutraceutical Formulations and Fortification

**Hexawel Healthcare LLP** was conceived as an innovation led organization to cater to the current and emerging needs of Vitamins, Minerals and Ingredients used in the manufacturing of Nutraceutical and Human Nutrition products.

At Hexawel we are focused at understanding our customer needs for various forms of Vitamins, Minerals, and Ingredients. We manufacture stabilized, Cold Water Dispersible, Oily forms of Vitamins apart from Customized Vitamin Premixes.

Our manufacturing facility located at Hyderabad is a fully integrated facility equipped with the best equipment and technology to manufacture as per the cGMP & HACCP standards. Our manufacturing facility adopts ISO 9001: 2015 quality standards and has a FSSAI manufacturing license (central). Hexawel Healthcare products are HALAL, KOSHER and FAMI QS certified.

"Fully Integrated manufacturer with dedicated manufacturing lines for Vitamin Powders, Liquids and Vitamin & Mineral Premixes"

## Vitamin Dry Powders, Oily Forms and Cold Water Dispersible Powders

Vitamin Dry Powders and Cold water soluble (CWS) vitamins manufactured at Hexawel Healthcare meet the FSSAI standards and are manufactured as per cGMP standards. These are widely used in manufacturing of nutraceutical formulations, Dietary Supplements and for fortification of food grade products.
