# WE ARE ONE STOP FOR A QUALITATIVE RANGE OF CHEMICALS.

**MR. KALPESH PATEL**  
Managing Director

Kalpesh Patel, business acumen with leadership skills and technical competency, he is managing the company for last 20 years, born into farmer's family but zeal to achieve something big in his life, he completed his Masters in Industrial Chemistry, his experience into numerous companies received lot of exposure into the market. This was followed by the launch of Sigma Chemical and Annexe Chem Pvt Ltd. Since its inception, we are all working towards the same goal to establish ourselves into domestic and international market with our great quality products.

Our wide range of quality products are manufactured using state of art FDA-GMP facilities and available at competitive price through a proper distribution network. The efforts we put in providing the best quality products and the positive feedback received from our esteemed customers has enabled us in realizing our dream of expanding our business.

The Company's future growth strategy is driven by four key factors of capacity enhancement, new launches, expansion of the geographic markets and vertical integration. With our collective efforts we will continue to surpass the expectations of our customers and provide world class products for Pharma & Food industry chemicals.

- FDA-GMP approved 3000 MT per annum manufacturing facility.
- GLP approved well equipped testing laboratory to ensure quality of products.
- 30 tons of HVAC system with series of filters to provide best quality products.
- In-house R&D facility to provide customized solutions to customers.

- **Ammonium Di Hydrogen Phosphate**  
(Pure / LR / AR / ACS / Food)
- **Benzoic Acid**  
(Pure / IP / BP / USP / JP)
- **Calcium Acetate**  
(Pure / LR / BP / USP / EP / Food)
- **Calcium Carbonate**  
(Pure / LR / IP / BP / USP / EP / JP / Food)
- **Calcium Chloride Anhydrous**  
(Pure / LR / IP / BP / USP / Food)
- **Calcium Chloride Dihydrate**  
(Pure / LR / ACS / IP / BP / USP / EP / JP / Food)
- **Calcium Citrate**  
(Pure / USP)
- **Calcium Gluconate**  
(Pure / IP / BP / USP / EP / JP)
- **Calcium Hydroxide**  
(Pure / LR / BP / USP / EP / JP / Food)
- **Calcium Sulphate Anhydrous**  
(Pure / USP)
- **Calcium Sulphate Dihydrate**  
(Pure / BP / USP / EP)
- **Citric Acid Anhydrous**  
(Pure / LR / IP / BP / USP / EP / JP / Food)
- **Citric Acid Monohydrate**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / Food)
- **Dextrose Anhydrous**  
(Pure / IP / BP / USP)
- **Dextrose Monohydrate**  
(Pure / IP / BP / USP)
- **Di Ammonium Hydrogen Phosphate**  
(Pure / LR / AR / ACS / Food)
- **Di Calcium Phosphate Anhydrous**  
(Pure / IP / USP / EP)
- **Di Calcium Phosphate Dihydrate**  
(Pure / BP)
- **Di Potassium Hydrogen Phosphate**  
(Pure / LR / AR / ACS / BP / USP / EP / Food)
- **Di Sodium Hydrogen Phosphate Anhydrous**  
(Pure / LR / AR / ACS / BP / USP / Food)
- **Di Sodium Hydrogen Phosphate Dihydrate**  
(Pure / LR / AR / ACS / BP / USP / Food)
- **Di Sodium Hydrogen Phosphate Heptahydrate**  
(Pure / LR / AR / ACS / USP)
- **Di Sodium Hydrogen Phosphate Dodecahydrate**  
(Pure / LR / AR / BP / USP / Food)
- **EDTA Di Sodium Salt**  
(Pure / LR / AR / IP / BP / USP / EP / JP)
- **Ferric Chloride Anhydrous**  
(Pure)
- **Ferric Chloride Hexahydrate**  
(Pure / LR / AR)
- **Ferrous Gluconat**  
(Pure / IP / BP / USP / EP)
- **Ferrous Sulphate Heptahydrate**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / Food)
- **Magnesium Chloride Hexahydrate**  
(Pure / LR / IP / BP / USP / EP / Food)
- **Magnesium Citrate**  
(Pure / BP / USP / EP)
- **Magnesium Gluconate**  
(Pure / BP / USP / EP)
- **Magnesium Sulphate Dried**  
(Pure / BP / USP)
- **Magnesium Sulphate Heptahydrate**  
(Pure / LR / AR / IP / BP / USP / EP / Food)

- **Potassium Acetate**  
(Pure / LR / AR / BP / USP / EP / Food)
- **Potassium Bi Carbonate**  
(Pure / LR / BP / USP / Food)
- **Potassium Carbonate**  
(Pure / LR / AR / ACS / BP / USP / EP / JP / Food)
- **Potassium Chloride**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP / Food)
- **Potassium Citrate Monohydrate**  
(Pure / LR / IP / BP / USP / EP / Food)
- **Potassium Di Hydrogen Phosphate**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / Food)
- **Potassium Hydroxide Pellets**  
(Pure / LR / AR / ACS / BP / EP / Food)
- **Potassium Hydroxide Powder**  
(Pure)
- **Potassium Metabisulphite**  
(Pure / Food)
- **Sodium Acetate Anhydrous**  
(Pure / LR / AR / USP / Food)
- **Sodium Acetate Trihydrate**  
(Pure / LR / AR / IP / BP / USP / EP / JP / Food)
- **Sodium Bi Carbonate**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP / Food)
- **Sodium Benzoate**  
(Pure / LR / IP / BP / USP / EP / JP / Food)
- **Sodium Carbonate Anhydrous**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP / Food)
- **Sodium Chloride**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP / Food)
- **Sodium Citrate Anhydrous**  
(Pure / USP / Food)
- **Sodium Citrate Dihydrate**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP / Food)
- **Sodium Di Hydrogen Phosphate Anhydrous**  
(Pure / LR / AR / BP / USP / Food)
- **Sodium Di Hydrogen Phosphate Monohydrate**  
(Pure / LR / AR / ACS / BP / USP / Food)
- **Sodium Di Hydrogen Phosphate Dihydrate**  
(Pure / LR / AR / IP / BP / USP / EP / Food)
- **Sodium Gluconate**  
(Pure / USP)
- **Sodium Hydroxide Powder**  
(Pure)
- **Sodium Hydroxide Pellets**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP / Food)
- **Sodium Metabisulphite**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / Food)
- **Sodium Sulphate Anhydrous**  
(Pure / LR / AR / ACS / BP / USP / EP / JP / Food)
- **Thiourea**  
(Pure / LR / AR)
- **Tri Calcium Phosphate**  
(Pure / LR / IP / BP / Food)
- **Tri Potassium Phosphate**  
(Pure / LR / AR / ACS / Food)
- **Tri Sodium Phosphate Anhydrous**  
(Pure / LR / AR / IP / USP / Food)
- **Tri Sodium Phosphate Dodecahydrate**  
(Pure / LR / AR / ACS / USP / Food)
- **Urea**  
(Pure / LR / AR / ACS / IP / BP / USP / EP / JP)
- **Zinc Acetate Dihydrate**  
(Pure / BP / USP / EP)
- **Zinc Gluconate**  
(Pure / BP / USP / EP)
- **Zinc Sulphate Monohydrate**  
(Pure / LR / AR / IP / BP / USP / EP)
- **Zinc Sulphate Heptahydrate**  
(Pure / LR / AR / IP / BP / USP / EP / JP)
