About Aviran Pharmachem

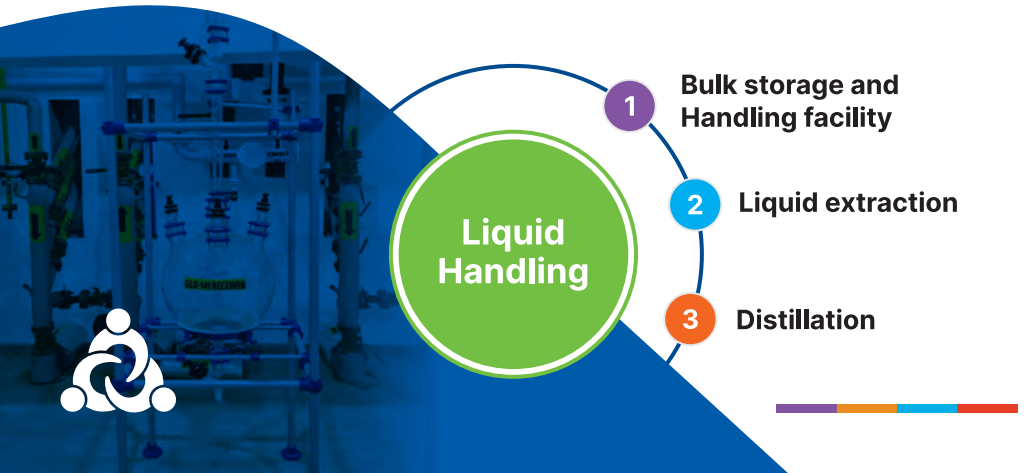

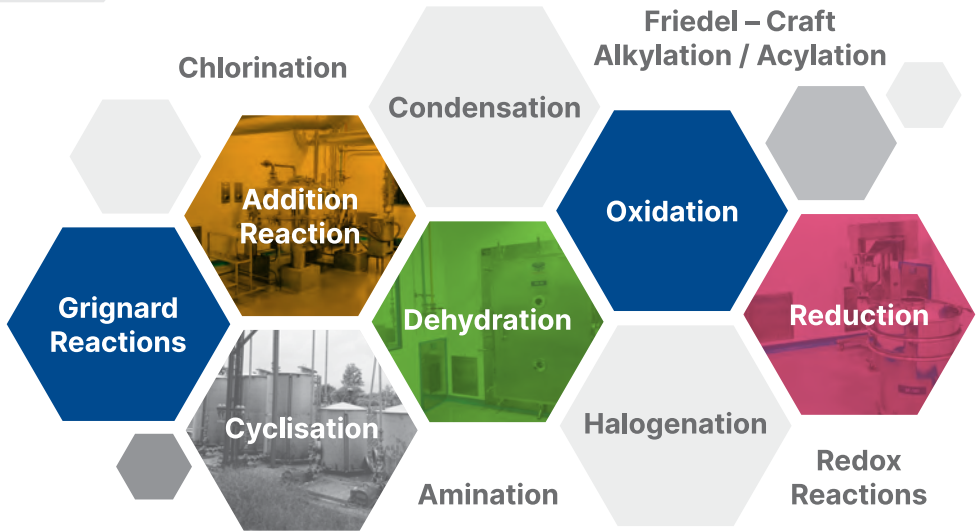

Established in 2021. We **Aviran Pharmachem** manufacturing quality APIs and Intermediates. Our team believe "Quality is an ongoing process of building and sustaining relationship".

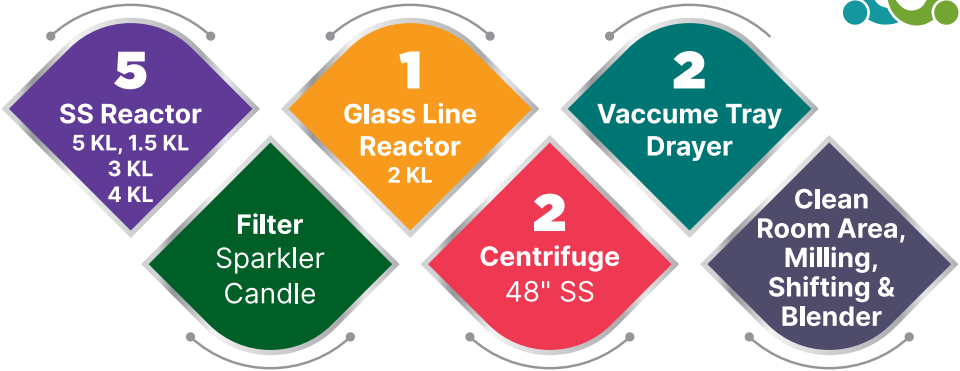

We continuously strive to meet the involving needs of the global healthcare industry. Delivering safe and effective therapeutic effect for improve patient compliance.

We have large green field project with R & D and pilot plant of total 77,722 sq. ft. and total building 23,250 sq. ft.

Chemical Reaction Expertise

Manufacturing Facility

Utility

Boiler
Chiller & Brine Plant
Cooling Tower
PW Plant
ETP & MEE Plant
Air Compressor
DG Set
Solvent Recovery
Explosive Yard
Vaccum Pump
Hot Water System

QC Facility

HPLC
GC
Stability Chamber
Karl fisher
UV
Moisture Analyzer
Weight balance
pH Meter
Melting Point Apparatus
Vacuum and Hot Air Oven

R & D Facility

20 L Pilot Plant
50 L Pilot Plant
100 L Pilot Plant

Innovative Solutions and Trusted Expertise in API Manufacturing

Product List

Sr. No.	Therapeutic Category	Product	Specification
1	Anti-Tussive/ Cough suppressant	Levocloperastine Fendizoate	IH
		Levodropropizine	IH/IP/BP/USP
2	Anti-Malarial	Artesunate	IP/PhINT
		Artemether	IP/PhINT
		Lumefantrine	IP/USP
		Dihydroartemisinin	IH
3	Anthelmintics	Albendazole	IP/USP
		Fenbendazole	IP/BP/USP
		Oxfendazole	IP/BP/USP
4	Antibiotics	Tigecycline	IP/BP/USP
5	Antihypertension	Nifedipine	IP/BP/USP
6	Anti Coagulant	Rivaroxaban	IP/BP/USP
7	Anti Fungal	Naftifine HCL	IP/BP/USP
