PURPOSE, MISSION & VISION

PURPOSE

50+ COUNTRIES:

Expand operations globally, building sustainable profits while ensuring the satisfaction of all stakeholders and fostering continuous growth for over **1∞** years

VISION

To create a trusted and efficient healthcare ecosystem in Emerging Markets, which lasts **100+** years, by delivering happiness to everyone connected with us

MISSION

To be known as a company with a high degree of professionalism, high quality and affordable drugs, while making profits for all its stakeholders

CORE VALUES

- **Integrity** : Act with Uncompromising Honesty and Integrity, in everything we do
- **Long Term View** : Today's actions have to deliver future value, as we will be in business for the next 100+ years
- **Customer Centric** : Provide superior quality, value and service to the customer, while maintaining transparency at all times
- **Responsibility** : Commit to acting responsibly, in every situation
- **Team Work** : Collaborate to achieve exponential growth, and build self-managed teams
- **Empowerment** : Independent decision making, and having the freedom to execute
- **Accountability** : Take Ownership, and be accountable for the results of your actions
- **Dignity and Respect** : Towards everyone we interact with, at all times
