## Gut Health

Indication	Composition	Format	USP
Constipation, IBS-C, NASH, MHE, Celiac disease	<i>Bifidobacterium longum</i> W11 + FOS		The clinically studied synbiotic formula with strain specific Rifaximin resistant probiotic
Acute Diarrhea, AAD	<i>Lactobacillus rhamnosus</i> GG (Microencapsulated)		Most researched bacterial probiotic with dual technology offering rapid & 5X probiotic activity
NEC, Colic Pain, Late Onset Sepsis	<i>Lactobacillus rhamnosus</i> GG (Microencapsulated)		The safest and most effective formula for neonates & infants
IBS, IBD, Abdominal Pain	<i>Lactobacillus rhamnosus</i> GG (Microencapsulated) + <i>Saccharomyces boulardii</i>		The combination of most researched probiotics with advanced technologies for gut health
Diarrhoea, IBS, IBD	<i>Lactobacillus rhamnosus</i> GG (Microencapsulated) + <i>B. longum</i> + <i>L. acidophilus</i> + <i>S. thermophilus</i> + FOS		Synergistic combination of probiotic & prebiotic for management of diarrhea
Acute Diarrhea, AAD	<i>Saccharomyces boulardii</i>		Orosoluble <i>S. boulardii</i> formulated with Fluidized Bed Drying Technology ensuring higher drying accuracy
Acute Diarrhea	<i>Saccharomyces boulardii</i> + Electrolytes		Probiotic approach empowered with electrolytes for improved hydration

## Reproductive Health

Indication	Composition	Format	USP
Vaginal infections	<i>Lactobacillus crispatus</i> + <i>Lactobacillus jensenii</i> + <i>Lactobacillus rhamnosus</i> + <i>Lactobacillus gasseri</i> + FOS		Vaginal microbiome specific formula for vaginal health
Perimenopause & Menopause Management	<i>Rhapontic rhubarb</i> extract		Comprehensive formula for the management of peri-menopause & post-menopause
PMS & Menstrual Cycle Irregularity	<i>Vitex Agnus Castus</i> extract + Vit B6 + Magnesium		Comprehensive solution for management of PMS, Menstrual cycle irregularity & mastalgia
Endometriosis	Boscurin® + Quercetin + N-Acetyl Cysteine		A non hormonal approach for the management of endometriosis which reduces the painful symptoms without affecting fertility
PCOS Infertility	D-Chiro inositol (DCI) + Myoinositol (MI)		A rational, clinically proven approach for PCOS management
	DCI + MI + N-Acetylcysteine + Zinc + L-Methylfolate Calcium Hydrate + Chromium + Selenium + Vit D3 + Vit B12		For management of infertility related to PCOS
Male Infertility	Tradafert® ( <i>Tribulus terrestris</i> + <i>Alga Ecklonia bicyclis</i> + Chitosan Oligosaccharide + Myoinositol)		Clinically studied combination that works beyond antioxidants for the treatment of male infertility

## Osteoarthritis Care

Indication	Composition	Format	USP
Osteoarthritis Joint Pain	Native (Undenatured) Collagen type II + Rosehip extract		A synergistic approach to protect cartilage & ease joint pain
	Native (Undenatured) Collagen type II + Rosehip extract + Collagen Hydrolysate		A multimodal formula to prevent cartilage degradation & support cartilage anabolism
	Native (Undenatured) Collagen type II + Boswellia serrata extract		OA management via immuno-mechanical pathway induced cartilage degradation control
	Native (Undenatured) Collagen type II + Boswellia serrata extract + Rooster Comb Extract		A multimodal approach of cartilage protection & synovial health improvement
	Native (Undenatured) Collagen type II + Boswellia serrata extract + Rooster Comb Extract + Curcuma longa extract		A comprehensive OA management formula for whole joint disease
	Boswellia serrata extract + Rooster Comb Extract		A formula for mobility improvement by managing synovial effusion & inflammation
	Boswellia serrata extract + Devil's Claw extract + Rosehip extract		A complementary OA management approach to control cartilage degradation & pain
	Rosehip extract + Curcuma longa extract + Cucumber extract		A synergistic approach of OA management to protect cartilage with pain control

## Connective Tissue Care

Indication	Composition	Format	USP
Fracture Healing & Osteoporosis	Ogenic™ elements + Calcium citrate maleate		Biomarkers based formula to accelerate bone formation & to prevent bone degradation
Post surgical muscle health	Celements® (Conditionally Essential Amino Acids) + Rooster Comb extract		Muscle health restoration by stimulating muscle anabolism & controlling muscle catabolism
Muscle Health	Celements® (Conditionally Essential Amino Acids) + Vitamin D3		Muscle health restoration through stimulating muscle anabolism
Tendinopathy	Mucopolysaccharides + Collagen type I + Vit C + Boswellia serrata extract		Clinically proven formula catering to tendon repair, inflammation & pain
Ligament Health	Mucopolysaccharides + Boscurin® + Collagen Type I + Vit C		A novel formula catering to pain, inflammation & repair of ligament post injury or surgery

## Chronic Pain Care

Indication	Composition	Format	USP
Chronic low back pain	Boscurin®		The most potent Inflammalgic Triad Inhibitor to control pain & inflammation
Neuropathic Pain	Palmitoylethanolamide + Uridine + Vit B12 + Folic Acid		Comprehensive neuropathic pain management approach through pain control with neuronal regeneration
Neuromuscular Pain	Palmitoylethanolamide + Boscurin® + Acetyl-L-carnitine		A synergistic combination for conditions involving neuromuscular pain which caters to neuro-inflammation, pain sensations & muscle function

## Mental Health

Indication	Composition	Format	USP
Stress	Lactium (Milk protein hydrolysate with alpha-casozepine)		Novel bioactive decapeptide for stress management
Stress & Anxiety	Lactium + L-theanine		A complementary stress management approach by novel bioactive decapeptides with fast acting L-Theanine
Stress related Insomina	Lactium + Melatonin + Ashwagandha extract		A safe and multimodal formula for sleep management
Insomnia, Stress & Anxiety	Lactium + L-theanine + Melatonin		Advanced formula for sleep & anxiety

## Respiratory Health

Indication	Composition	Format	USP
Allergic Rhinitis, Allergic Asthma Atopic Dermatitis	<i>Lactobacillus paracasei</i> GMNL-133 + <i>Lactobacillus fermentum</i> GM-090		Strain specific probiotic approach for allergy by addressing Th1/Th2 imbalance
Viral Respiratory infections	Eleulide (extract of <i>Andrographis paniculata</i> & <i>Acanthopanax senticosus</i> ) + EchinActive ( <i>Echinacea purpurea</i> extract) + Yeast Beta Glucan + Vit C + Zinc		Antiviral immunostimulator for the management of viral URTI

## Oral Health

Indication	Composition	Format	USP
Sore throat	EchinActive ( <i>Echinacea purpurea</i> extract) + <i>Curcuma longa</i> extract (non staining) + Sodium chloride + Sodium bicarbonate		Effective gargle formula for sore throat
Oral Health	<i>Lactobacillus paracasei</i> GMNL-33		Works by agglutination & competitive inhibition of pathogenic growth for oral health

## Liver Health

Indication	Composition	Format	USP
NAFLD, NASH, Viral/Alcoholic Hepatitis, Fibrosis	Phosphocomplex Silybin + Vit E		Liver health management through most bioavailable Silybin

## Upcoming Range

### Ovaflora

A synergy of Probiotics and VAC to improve metabolic parameters, inflammation and hormonal balance.

### Lp-06

A clinically studied topical post-biotic for controlling skin ageing and acne.

### Bifibaby GG

Clinically studied combination of probiotics to reduce the symptoms of colic pain.

### Eps Pelargin™

A clinically proven therapeutic approach which is efficacious against viral and bacterial pathogens and cater symptoms associated with ARTIs.

### Monaflavin®

First statin and citrinin free Red Yeast Rice extract for cardiovascular health.

### Superalgae

Golden chlorella & Diamond chlorella new age palatable super micro algae.

## Technologically Advanced Probiotic Formulations

### Mouth-melting Probiotic Powders

Sachets

Sticks

Bulk Powders

### Probiotic Oil Drops

Liquid Drops  
4 ml / 8 ml

### Stable Probiotic Tablets

Caplets

Chewable  
Tablet

Effervescent  
Tablet
