

MORVIN
INDIA

HEALTH CARE PRIVATE LIMITED

www.morvinindia.com

Morvin India Health Care Private Limited, one of Gujarat's leading and rapidly growing natural healthcare formulation companies, has left its mark on the lives of millions. Born from years of in-depth research carried out by a team of Ayurveda healthcare experts, our rich portfolio of ayurvedic, personal care, pharma and veterinary products bring natural wellness to users, everyday.

"Our commitment for a healthier society... For better life."

OUR MISSION

- ♦ Our Roadmap starts with our mission, which is enduring. It declares our purpose as a company & serves as the standard against which we weigh our actions & decisions
- ♦ To protect the beauty of the nature's ultimate creation – human...
- ♦ To inspire moments of optimism & happiness
- ♦ To create value & make difference

OUR VISION

Our vision as the framework for our Roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.

Be a great place to work where people are inspired to be the best they can be.

Bring to the world a portfolio of quality products and satisfy people's desires and needs

Nurture a winning network of customers & suppliers, together we create mutual, enduring value.

Be a responsible citizen that makes a difference by helping build and support sustainable communities.

Maximize long return to share owners while being mindful of our overall responsibilities.

Be a highly effective, lean and fast-moving organization.
