

**Jedux Parenteral
Private Limited**

infuse | inspire | impact

INTRODUCTION

- Jedux Parenterals Pvt Ltd is a fast growing innovation oriented company in India. Since inception over 5 years ago, we have pioneered, grown and evolved into an integrated IV infusion enterprise with PAN India footprints.

MISSION

- To deliver quality based products with excellence & Innovation, delivering cutting edge advanced technology.
- While we are driven to accomplish soaring achievements, we are also well grounded by being anchored to core values of ethical behavior, transparency and Quality assurance at every step.

VISION

- To become a global renowned company as a quality based innovative products. Our ultimate goal is to create a healthier, sustainable future for all Globally.

QUALITY ASSURANCE

- Safety, efficacy, and consistency Ensured Involved rigorous testing, inspections, and compliance with regulatory standards.

THE POWER OF INNOVATION

- Most advanced technology
- Closed system FFS technology with PP granules
- Better sterility standards
- Higher patient safety

**Jedux Parenteral
Private Limited**

(A WHO-GMP CERTIFIED COMPANY)

Introducing

EUROHEAD BOTTLE

Features and Benefits

- ◆ Low density Polyethylene (LDPE) / Polypropylene (LDPP), made from medical grade imported granules
- ◆ Non PVC, DEHP free, hence no leaching of the plasticiser into solution
- ◆ Safe drug infusion (additive free)
- ◆ No human intervention, totally sterile
- ◆ Totally collapsible, No air vent required
- ◆ Self-sealing in both parts, no contamination no leakage and no accidental loss of solution
- ◆ Sterilized at 108°C /121°C to maintain aseptic conditions
