ABOUT US.

Manarti Exports is a specialized medical disposables, systems, devices and hospital equipment provider offering a wide range of products. Our products are manufactured at state-of-the-art production facilities in India, with capacity to produce large quantities. We are ISO 9001:2015 and ISO 13485:2016 certified and our products are CE Marked. Our Medical Devices and Catheters are FDA Approved.

Our company leadership team is having over 2 decades of experience working with Indian and Global Partners in Medical, and Pharmaceuticals. We understand the need of our customer and offer the customized products and services to match expectations and specifications of our customers.

Our dedicated teams of Biomedical Engineers have years of experience in International Tenders, support our buyers with sourcing of products, quotation, sampling and maximize the chances of tender winning. We do Turnkey Projects of OT Installation, Waste Management and Commissioning & Installation of Hospital Projects.

We believe in values of commitment, timely delivery, safest packaging, client service and maintaining quality standards of our products and services. We would be happy to get a chance to assist you in supplying products of high quality products at competitive prices.

OUR VISION: To offer innovative medical solutions that meet the highest industry standards and exceed our customers' expectations. We believe in promoting global healthcare by delivering top-quality medical products that are accessible and affordable to all.

QUALITY: Quality is our lifeblood. We are making significant investments in building a robust ecosystem of employees and partners who work in tandem to ensure that our products meet the world's most stringent quality standards.

DOCUMENTATIONS: Our quality team keeps records of every in-process and pre-shipment inspections and ensures that only defect-free product is supplied to our customers.

SUPPLIES: We understand that quality not only means the product but also the SPEED of the deliveries, so we always try that our customers get the products supplied through the fastest available sea or air transport. We ensure that the freight cost is competitive. We know that the fastest deliveries, so are the orders and more.

SHARPENING THE EDGES: We believe learning is an everyday process which guides us to keep improving. Hence reviews of our customers for the services are important to us. Feedback of our customer is as important as an order. Management assures that feedback and suggestions of the customers will be guiding principles.

QUALITY POLICY: We at Manarti are committed to supply products with zero defect to the customer. Our experienced and dedicated team is involved during the process of product and vendor selections and approval of the products is done based on its quality check for its performance and efficacy.

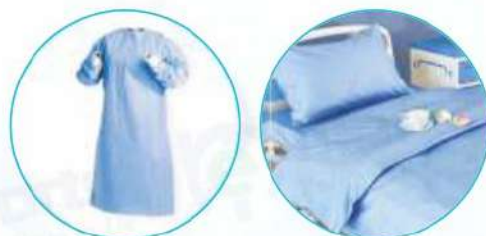

The products are approved based on the various quality check parameters and visual inspections of the products before they are supplied. We are committed to ensure that the product is properly packed in Primary, Secondary and Tertiary keeping the safety of product and transportation mode in mind. We conduct inspection of our production units and of our associate vendors at regular intervals and ensure that the products are produced in a hygienic, clean and sterile environment to supply international quality products.

WARRANTY: We take full responsibility and provide warranty of our supplied products for any defect arising for the committed timeframe as per the industry norms or as per our terms of business agreed with our customers.
