

Ravenbhel
Healthcare Pvt. Ltd.

YOUR DEPENDABLE FORMULATION PARTNER

FOLLOW US :    

History

It all started in a town called Amritsar, Punjab located in North India, home of the famous "Golden Temple" where the vision was born, to provide quality medicines to the masses at an affordable price. The company has a rich history dating back to 1981, with Macmillon Pharmaceutical Ltd. establishing the way to the future businesses, such as Ravenbhel Pharmaceutical Pvt. Ltd. 2001, Ravenbhel Healthcare Pvt. Ltd. 2004, Ravenmac Pharmaceuticals Pvt. Ltd. 2010, Oswin Pharmaceutical 2013 and the latest

addition being Ravenbhel Biotech in 2014 to the group. The visionaries Mr. Naresh Mahajan and his successor Sahil Mahajan together with their team of dedicated employees, have built an extremely successful organization, that is carving its path across the globe with its quality products. Forty Three years of extensive experience, strong infrastructure, dependable in-house expertise and professionalism has made us the right choice in contract manufacturing.

Company Profile

Ravenbhel Healthcare Pvt. Ltd. is a rapidly growing Indian Pharma formulation company committed to developing, manufacturing and marketing a diverse portfolio of products. Our core strength lies in contract development, up scaling and commercially manufacturing differentiated and a wide range of formulations.

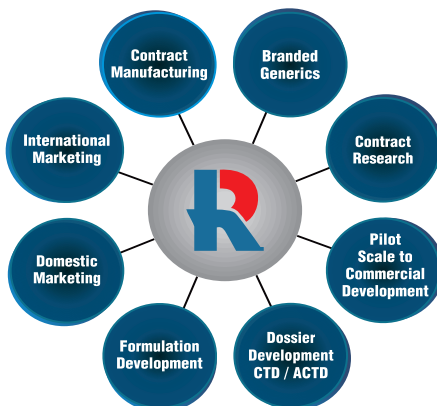

Ravenbhel has been a trusted outsourcing partner to some of the local & global leading Healthcare and Nutraceuticals companies like Abbott, Novartis, Ranbaxy etc. Now over a decade, we are supplying general category medicines and hormones to these multi-nationals, these strong partnerships are a direct result of a strong foundation of trust, in our ability to deliver quality products.

Ravenbhel holds a credit of sponsoring and conducting 6 clinical trials (Phase IV) and 26 BE studies, whereby ensuring safe and Bioequivalent products to its clients and patients. Till recently our primary focus has been domestic contract manufacturing for ROW markets, supplying Tablets, Capsules, Oral Liquids and Sachets from UNIT I and UNIT II. This has ingrained valuable experience and confidence in team Ravenbhel. Now with the commercialization of its new UNIT III, which is compliant with USFDA, UKMHRA, PICs etc., we are aggressively expanding in the regulated and semi regulated markets.

Ravenbhel leverages its India cost advantage, backed by a strong in house R&D and robust marketing to increase its presence in strategic markets.

Our motto is that client comes first, we in-turn foster's long term strategic and progressive relationships with our partners. We produce the quality you need, the availability you desire and the affordability the market dictates.

What we do

Mission

To develop, manufacture, deliver innovative medicines by constantly investing in cutting edge technologies, and upgrading infrastructure. Outperform competition by focusing on exceptional quality, affordable cost and commitment towards delivery. Practicing great level of ethical standards in our dealing with clients, employees and vendors helps us in solidifying relationships.

Why Choose us

CORE BUSINESS

- Our standing in this business for more than 3 decades shows our commitment to the Pharma industry.
- A key indicator is reinvestment in the latest equipment and technology for our newly constructed plant i.e. Unit III, built as per the guidelines of MHRA, PIC's, EuGMP, USFDA etc.

CORE VALUES

- Integrity
- Dependability
- Transparency
- Ethics

International Presence & Certifications

QUALITY BY DESIGN

- Our newly built, state of the art facilities meet the concept of quality by design . This ensures regulatory acceptance and helps in mitigating risk of accidents or cross contamination-
- The facilities ensure control of men, material movement based on authorizations and responsibilities for controlled working environment.

PRINCIPLED

- Preference to quality over cost
- Buying from approved vendors only

ESTABLISHED QUALITY RECORD

- Well laid down SOP's, stringent quality tests and vigilant checking of incoming materials ensures quality products for our clients.
- Decade long association with companies like Zydus , Torrent, Abbott etc.

TESTING CAPABILITIES

- Fully equipped labs with HPLC's , FTIR's, GC, Dissolution Apparatus, UV visible etc
- Qualified technical staff and periodical training for updating of skills

GOOD DATA MANAGEMENT SYSTEM

- Complete Process flow is controlled by ERP, and a system oriented document management is in place which ensures data protection, authorizations, security, authentication etc. online.

STRONG & ROBUST PRODUCT PORTFOLIO

- Over 70 DCGI (Drug Controller General of India)
- Over 200+ COPP's & 50 CTD dossiers.
- Willingness to develop or co develop new products/ novel forms of delivery system
- 25+ Bio-Equivalence Studies

HUGE CAPACITIES

(per shift per annum, in million)

Tablets (nos)	:	2370
Capsules (nos)	:	600
Syrup (100ml)	:	30
Sachet (nos)	:	54
Ampoules (nos)	:	45.6

REGULATORY CAPABILITIES

Team of Pharmacist and RA working together on regulatory documentation, products approvals and Bioequivalence.

Products manufactured are backed by CTD dossier, validated processes and testing procedures.

Support clients with dossiers and regulatory process for creating a win-win situation.

QP release for clients buying from EU nations.

TECHNOLOGY & INNOVATION

Formulation being our core business we invest continuously in upgrading of technology, to improve the quality and output of the products.

- D3 Sachet water soluble.
- D3 Injections pain free (Viscosity-5cPs)
- Pellets + Powder in a sachet. (Pragesterone Immediate Release).
- PH independent vaginal Tab Technology.
- Fenotibrate Micro Pellets(Larger surface area & Larger dissolution).
- Alphaketana logue (Micro uniform nano tablet)
- Sildenafil (53/77)
