About Us

Jain Soap celebrating **50 years** of expertise and excellence in the cosmetic industry. As a seasoned cosmetic contract manufacturer, we have spent half a century perfecting the art and science of beauty product creation. From custom formulations that tell your brand's unique story to cutting-edge research and development, and the creation of stunning private label Brands, we have been the trusted partner behind some of the most renowned beauty brands in the market.

Our journey began five decades ago with a passion for innovation and a commitment to pushing the boundaries of what's possible in cosmetics. Today it is managed by **Mr. Lalit Bachhawat** and **Mr. Aman bachhawat**, Jain Soap stand as a beacon of quality and reliability, harnessing our decades of experience to deliver solutions that exceed expectations. From concept to completion, our team collaborates closely with you to ensure every aspect aligns with your brand ethos, resulting in a collection that stands out in a crowded market.

Jainsoap has been delivering the best possible product to their client from past 5 decades and will be doing so in future too .Each client is like an extended family member to us and like family, we understand and understand your needs and make the right Products. Our professionalism, coupled with a strong personal touch enhances the probability of success at every step. Our goal is to create a long-lasting client relationship, which will translate into long term winning strategies and exponential growth for both parties.
