ABOUT US

NEMUS Pharmaceutical Pvt. Ltd.

Nemus Pharmaceuticals Pvt Ltd., is a specializedDermatology Pharmaceutical Company indulged in Manufacturing, Marketing & Exporting the topica Pharmaceutical products and Derma Cosmetic products. Our manufacturing facility is situated at Dharwad, Karnataka which is ISO, GMP certified and provides best assured quality products.

We at NEMUS, understand our responsibility to provide high quality products to healthcare professionals; we also acknowledge that there is a need to strive hard & excel by consistently maintaining the quality of our products and bring in newer innovations. Hence to give a shape to its ambitions and to reach newer horizons, NEMUS collaborated with M/s. Dolphin Healthcare Sdn. Bhd., Kuala Lumpur, Malaysia on technical front.

NEMUS as its Latin etymology, a Sacred Grove shall be a name to reckon with.

NEMUS PHARMACEUTICALS UNIT-II WHO-GMP STANDARDS

With success to meet millions of customer satisfaction for their good health since our inception NEMUS is counted among the best pharmaceuticals manufacturers.

To offer our services for Topical Drug products we have set up new Drug manufacturing facility which is fully equipped with ultra-modern machinery and advanced testing laboratory.

In pursuit of excellence, Nemus is forging ahead with its expertise and experience, constantly laying emphasis on customer satisfaction and confidence through quality control & quality assurance.

This new facility is furnished to manufacture Medicated Soaps, Topical Cream/Gel/Lotions, Shampoo, Toothpaste and Dusting Powders.
