WalPār®
NUTRITIONS LIMITED

ABOUT US

Your Strategic Manufacturing Partner in Nutraceutical Innovation

Walpar Nutrition Limited, established in 2009, is a vertically integrated herbo-nutraceutical products manufacturing company based in Gujarat, India. The company specializes in the manufacturing and direct selling of nutraceutical and herbal dietary supplement formulations, ingredients, and research. Over the years, Walpar has expanded its operations to include private label, white label and third-party brand manufacturing, serving both domestic and international markets.

In 2020, Walpar Nutritions transitioned from a partnership firm to a public limited company, reflecting its growth and commitment to the nutraceutical industry.

Vision statement: "To lead the global herbal and herbo-nutraceutical industry through sustainable innovation blending Ayurvedic wisdom with modern science and becoming the trusted choice for customers, healthcare leaders, investors, and our people."

Mission Statement: Creating healthier, wealthier lives globally through quality and innovation.

Walpar's Key Priorities

Each member of the Walpar team is expected to understand the key priorities and focus their energies toward each priority

Customer Satisfaction: Walpar focuses on ensuring that their clients are satisfied with the products and services offered, aiming to meet their needs and expectations.

Manufacturing Excellence: The company emphasizes high-quality manufacturing processes, adhering to global standards to produce nutraceutical and herbal supplements.

Global Expansion: Walpar aims to expand its manufacturing and distribution capabilities globally, reaching a wider market while maintaining high-quality standards.

Innovation and Knowledge: The company is committed to staying at the forefront of industry advancements and providing knowledge about nutraceuticals, ensuring they offer the latest and most effective solutions.

CHARACTER COMMITMENT

Refers to the dedication and resolve an individual shows in upholding strong moral principles, ethical standards, and personal values in all aspects of life, especially in challenging situations. It involves a deep sense of responsibility, integrity, and reliability, ensuring that one consistently acts in alignment with their beliefs, even when faced with adversity or temptation.

Key aspects of character commitment include:

Integrity:

Staying true to one's values and doing the right thing, even when no one is watching.

Responsibility:

Taking ownership of one's actions and their consequences.

Perseverance:

Staying determined and focused on long-term goals, even though difficulties.

Consistency:

Acting with reliability and fairness in all situations, regardless of external circumstances.

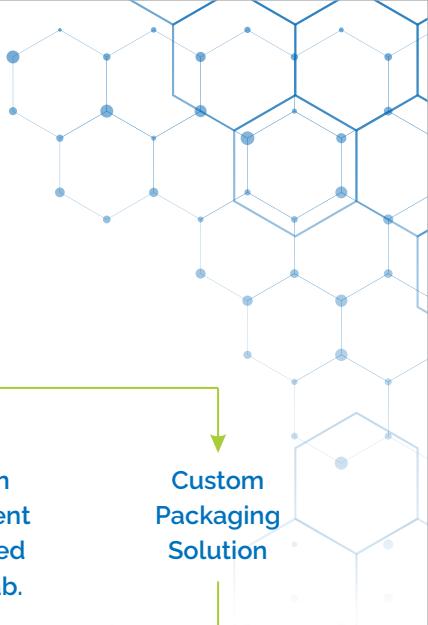

Customer-Centric Focus:

Showing commitment to customer satisfaction by listening to feedback, addressing needs, and continuously improving services and products.

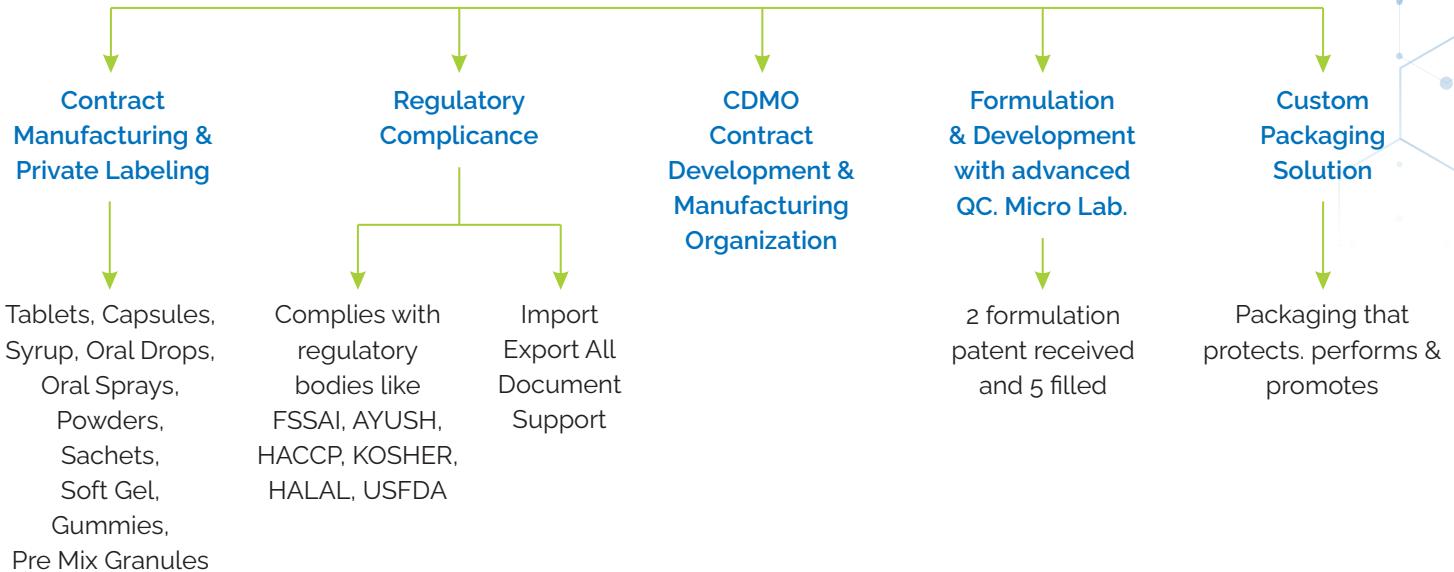

Communication:

The activity of conveying information through the exchange of thoughts or messages, as by speech, visuals, signals, writing, or behaviour. A Walpar employee must be committed to attentively listening to others, have intentional conversations with employees, ask purposeful questions, resolve conflict quickly, and freely provide information and knowledge. Being deliberate, transparent, and honest in communication is an integral part of communication.
