Mediwin - "The winner in the field of medicine" is having "Leading edge with winning endeavour."

Mediwin Pharmaceuticals was founded by Mr. Arvind C Patel- a pharma technocrat with over 45 years of experience in the various fields of pharma formulations.

The factory is situated at about 5 km away from International Airport and almost 10 km away from the main Ahmedabad railway station. The plant was commissioned eighteen years ago and is being continuously updated and precisely maintained regularly.

The plant is structurally designed to comply with the highest standard of manufacturing practice and accredited WHO GMP certification. The plant has tablets & capsules formulation manufacturing area, oral liquid area, ointment area, beta-lactum area, quality control area. The entire plant is operated under controlled environment. Air, temperature & Humidity are strictly monitored time to time.

Mediwin Pharmaceuticals applies highest standard of manufacturing practice right from the selection of raw materials to final shipping. We are committed to provide quality, purity, safety, & efficacious pharmaceutical products to meet predetermined standards as per the international regulatory requirements.
