

EFFERVESCENCE IS OUR DNA

Novelty Pharma®

INNOVATION IS OUR ADVANTAGE

Swiss Innovation. Indian Manufacturing. Global Reach.

For over two decades, Fullife Healthcare has been at the forefront of specialized effervescent product development and manufacturing. Today, we bring together Swiss innovation, proprietary technology and advanced Indian manufacturing capabilities to create high-quality healthcare and nutraceutical products for brands across the world.

YOUR PARTNER IN EFFERVESCENT INNOVATION

The architects of a global brand – from India to the world **"FAST&UP – The No.1 Hydration Brand of India"** catering to millions of loyal customers.

ADVANTAGES OF EFFERVESCENT PRODUCTS COMPARED WITH OTHER ORAL DOSAGE FORMS

QUICK ABSORPTION TECHNOLOGY A PROPRIETARY EFFERVESCENT TECHNOLOGY

FROM CONCEPT TO COMMERCIAL SUCCESS.

Your innovation and manufacturing partner

At Fullife, we combine deep expertise in effervescent formulation, specialised product development and large-scale manufacturing to help transform promising ideas into successful, market-ready products.

Our unique strength lies in bringing together the innovation heritage and specialised know-how of Novelty Pharma GDD SA, Switzerland, with advanced manufacturing capabilities in India.

Whether you are looking to launch a new product, extend an existing brand or enter the world of effervescence, Fullife provides an integrated, end-to-end solution.

WHAT WE BRING TO YOUR BRAND

100+ Proven Formulations

A portfolio of quality formulations in effervescent and non-effervescent powders and tablets across Sports and Active Lifestyle, Beauty & Wellness and Daily Nutrition.

Proprietary Technology & Formulation Expertise

Advanced effervescent technologies and specialized formulation capabilities designed to incorporate premium ingredients into stable, effective and great-tasting products.

End-to-End Product Development

From concept, formulation and flavor development to pilot batches, scale-up and commercial production.

Specialised Manufacturing

A state-of-the-art cGMP manufacturing environment designed specifically for the demanding moisture-control requirements of effervescent products.

Flexible & Scalable Solutions

Flexible batch sizes and scalable manufacturing capabilities designed to support both emerging brands and established global businesses.

Quality & Regulatory Support

Robust quality systems, comprehensive documentation and regulatory support to facilitate successful commercialization across local as well as international markets.

Global Supply Capability

Reliable manufacturing, packaging and export capabilities supporting partners across global markets.

**YOUR IDEA. OUR SCIENCE. ONE COMPLETE SOLUTION.
LET'S CREATE THE NEXT BIG IDEA IN EFFERVESCENCE.**
