VISIONARY LEADERSHIP

Vishal Gupta

Managing Director

Vishal Gupta is a seasoned business leader with nearly three decades of experience building, transforming and scaling businesses across sectors. Prior to joining PSA Chemicals & Pharmaceuticals as Managing Director, he served as CEO at Mantri Developers in Bangalore, leading a large and complex business through transformation and growth. At PSA, he brings this experience together with strategic thinking, commercial acumen, operational discipline and a deep focus on relationships, with a clear mandate to take PSA onto the global stage. An alumnus of IIM Bangalore, Vishal believes in thinking long term, staying grounded, empowering people and letting performance speak for itself.

Prerana Gupta

Managing Director

Senior Marketing Professional & visionary possessing over two decade of rich work experience and documented record of strong and decisive leadership in Strategic Planning, Business Development, Sales & Marketing, Operations Management and Brand Positioning in Pharmaceutical Industry. Self-motivated professional with cross-functional business acumen, recognized locally and internationally for having successfully managed top-line and bottom-line growth as well as achieved year on year growth in business and revenue targets across countries. She has high ability in leading many verticals and complete Brand Management for multiple segments.

QUALITY POLICY

PSA Chemicals and Pharmaceuticals Pvt. Ltd. has a long-term commitment to achieve excellence in Quality through continual product and process improvements, effective Pharmaceuticals Quality systems, skills enhancement through training of employees and hard work to delight customers through the consistent Quality, Cost effective, Perfect, Reliable, Safe Formulations produced in the safe, current Good Manufacturing Practices compliant state-of-the-art manufacturing facility; and Serving the mankind for alleviating sufferings through our Actions.
