Approvals**

“**Antila Lifesciences** is making a meaningful impact on global healthcare, reaching millions of lives through its strong presence in the fast-growing pharmaceutical industry.

With a skilled and dedicated team, we operate across the key regions including Latin America, South-East Asia, Africa, the CIS, the Caribbean Island and other emerging markets.”

OUR BUSINESS

Your Partner In Health Care Because Life is Precious

Antila Lifesciences Pvt. Ltd., a globally recognized pharmaceutical leader, is engaged in the manufacturing and marketing of an extensive portfolio across diverse therapeutic categories, such as Critical Care, Neurology, Cardiology, Diabetics, etc. We focus on delivering top-quality products that meet international standards, ensuring they are ready for global markets. Guided by innovation and integrity, our goal is to become the go-to partner for pharmaceutical importers across the world.

Headquartered in Ahmedabad, India, Antila operates as a powerful force, with a robust Finished Formulation division. Backed by a skilled and dedicated workforce, we are strategically extending our reach across Latin America, Africa, Southeast Asia, the CIS, the Caribbean island and other emerging markets.

We promote a healthy and progressive work environment, aligned with ISO 9001:2015 standards and WHO-GMP certified manufacturing facilities, as we continue to grow and evolve on a global scale.

CORE VALUES

Ensuring total customer safety and satisfaction, maintaining a healthy work environment, providing quality medicines at affordable prices, and continuously improving our processes

CORE PHILOSOPHY

We believe in integrity and honesty, aim for zero defects, employees are our valuable assets, and focus on environmental safety.
