

**STELLAR**  
**FORMULATIONS**  
INDUSTRIES PVT LTD

**A Technology driven CDMO partner you can trust**

## About Us

Stellar Formulations Industries Pvt. Ltd. specializes in pellets and solid oral dosage formulations for pharmaceutical and nutraceutical categories.

Our **WHO-GMP** approved manufacturing facility is located outside Vadodara, Gujarat with an on premise 21 CFR part 11 compliant lab.

## Our Strengths

State of the art manufacturing facilities

Technology based research

Uncompromising focus on quality

Inspired innovation

## What do we do?

We specialize in novel **Oral Solid Dosage** drug delivery systems for the Pharmaceutical and Nutraceutical categories including semi finished formulations like **Pellets, MUPS and DC granules** with Enteric Coated, Sustained Release, Delayed Release delivery profile as well as any combinations of the above release patterns.

All our products are tested **in-House** with compendial methods with the use of high-end analytical equipment from brands such as Shimadzu, Electrolab, etc.

With our product development expertise and focus on technology, we provide customized solutions with **marketable advantage** over competitors.
