

Nuflower Foods & Nutrition develops life-saving therapeutic and supplementary foods, including RUTF, RUSF, and LNS, in collaboration with global public health and humanitarian organizations to address acute malnutrition worldwide. With advanced manufacturing capabilities and a strong export network, Nuflower delivers reliable, high-quality nutrition solutions that bridge humanitarian impact with global quality standards.

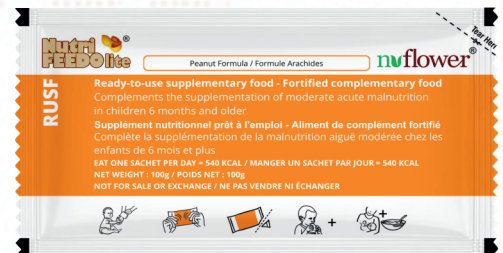

RUTF & LNS

Product Range

NutriFEEDO™

NutriFEEDO™ is a ready-to-use therapeutic food (RUTF). It is designed to treat severe acute malnutrition (SAM) in children aged 6 to 59 months.

NutriFEEDO lite™

NutriFEEDO lite™ is a ready-to-use supplementary food (RUSF) for children suffering from moderate acute malnutrition (MAM).

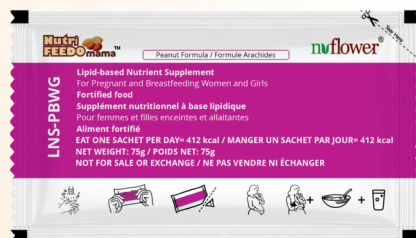

NutriFEEDO Twig®

NutriFEEDO Twig® is a lipid-based nutrient in medium quantity to prevent malnutrition among children who are 6 months and older.

NutriFEEDO bite™

NutriFEEDO bite™ is a lipid-based nutrient supplement (LNS) designed to prevent malnutrition and promote healthy growth in children aged 6 months and older.

NutriFEEDO mama™

NutriFEEDO mama™ is a lipid-based nutrient supplement especially created for pregnant and lactating mothers. This fulfills their micronutrient, lipid, energy and protein needs.
