Introduction

With excellent trading practices and diligent workforce in place, we, Austere Pharmaceuticals, are successfully operating in this competitive market structure as a manufacturer, exporter and trader. We started our business operations in the year 2010 with a vision to establish a strong foothold in Pharmaceutical market segments. Today, we are recognized as one of the prominent exporter in the Indian pharmaceutical industry. We are serving an impressive array of Psychiatric Products, Antacids, Anti Viral, Anti-Malarial, Analgesics and Anti Inflammatory, Anti TB, Cardio Vascular Products, Antidiabetics, Anti-Infectives, and many more.

We are supported by a competent team of well qualified personnel who assist us in sourcing as well as supplying different medical formulations. All our offerings are produced at WHO GMP approved manufacturing facilities. Moreover, we adopt a quality conscious approach in all business operations and ensure that only excellent quality of pharmaceutical products are delivered to the patients. This aids us in acquiring maximum customer satisfaction. Furthermore, we focus on ensuring swift delivery of the orders.

Customers Satisfaction

We are highly customer-focused. Keeping clients happy is our singular motive and to accomplish this, we do everything from adopting smooth trading practices to following rigorous quality checking process. We deal in bulk orders and this habit makes us a perfect partners for clients. Since inception, we have been rendering complete customer-support to clients in the form of easy payment options, swift deliveries and instant reply to queries.

Name to Rely On

With the assistance of our adroit team of personnel, we have established long term relations with many reputed manufacturers of finished dosage forms of almost all therapeutic segments. Our prestigious business entity has appointed a specialized team of sourcing agents who thoroughly scan the market and look for renowned vendors of the pharmaceutical industry. These personnel conduct an assessment procedure before selecting the vendors. Some of the vital factors that are given due importance in the selection process of vendors are Quality standards of products, Technology, Timely delivery system, Financial stability, Industry experience and Past and present clients.

Why Us?

We have become the most trusted choice of buyers due to the following reasons:

- Strong relations with renowned manufacturers
 - Competitive pricing policy
 - Complete quality assurance
 - Adroit team of professionals
 - Fast delivery of final consignments.
 - Handling of any after sale queries
 - Marketing and promotional support to local and overseas clients
 - In-house and outsourcing capabilities for any technical requirement for product and plant registration
 - Quick replies to Technical queries and assured implementation of the same to comply as per quality guidelines of the ministry of health of the concerned country
 - Maintenance of identical or superior quality of the products throughout the shelf life of product registration.

Company Profile

AUSTERE PHARMACEUTICALS is manufacturer, trader and exporter of avant-garde Nutraceuticals, Pharmaceutical Dosage Forms, Herbals and Surgical Products. Our emphasize is on exporting majority of our products and for this we leverage on our independent infrastructure along with fully educated, skilled staff. With their hard work, we are able to meet the requirements of customers based all across the globe.

AUSTERE PHARMACEUTICALS started its operation from Ahmedabad (Gujarat, India), in the year 2010. At that time, our vision was to create a large market share in the Pharmaceutical Segment. We are proud of the fact that today, we are a credible exporter in the Indian Pharmaceutical Industry.

We are supported by an adroit team, who support us in creating long lasting and mutually beneficial relations with a number of established manufacturers of finished dosage forms of nearly every therapeutic segment.

AUSTERE PHARMACEUTICALS is an Indian company, which is dedicated towards its customers, associates and also to those people, who rely on our medicines.

Already we have created a history of diligence, smart & hard work and success by working relentlessly for increasing the values concerning the betterment of health & quality of lives.

Our operational abilities & intent are fully blended with our dedication towards ethics and human well being. We give emphasize on making a practical and substantive difference to the patient's health by making sure that we deliver our pharmaceuticals, herbals & surgical products on time, at affordable prices. We also ensure to keep their prices within an affordable range.

AUSTERE PHARMACEUTICALS is working with the passion to be the best source of effective medicines along with being the trustworthy name in the industry for doing business the way we do it.

New Product Categories In Pipeline:

After successful penetration in pharmaceutical segments, we are now planning to expand the product portfolio to focus on food segment to cater the requirement and grab the opportunity to enter in to the markets including the regulated ones . We are soon going to launch our one of the best product, i.e. Peanut butter. Other products under research and development are a series of ready to eat instant Indian meals, energy bars and many more under the brand name, "**WellyWelly**".
