Unispeed
Pharmaceuticals Pvt. Ltd.

“about the company”

UNISPEED PHARMACEUTICALS is a leading specialty pharmaceutical company that uses innovative science and market insight to develop responsive products for a changing world.

We are always exploring new product opportunities that address a range of health conditions. The products are manufactured under GLP and GMP certification, having the latest equipment & manpower. We have in-house quality control laboratory & microbiology laboratory fully equipped with state-of-the-art instruments like high performance liquid chromatography, ultraviolet spectrophotometer and many more to access quality in compliance with highest international standards. Quality of each medicinal product is assured by applying the latest TQM (Total Quality Management) techniques by the QA Team. Quality standards are of the highest standards matching international requirements at most affordable prices. Unispeed Pharmaceuticals identifies, develops, and delivers pharmaceutical products that make a difference in lives of people.

Unispeed Pharmaceuticals has won many accolades in the domestic and soon entering into International pharmaceutical domain. We are a leading group of pharma companies that is headed by an experienced management involved in the diverse field of pharma industry and is situated in Himachal Pradesh, India which is conducive for a pharma industry to grow. Our commitment towards quality, rich industry experience together with ethical business values has taken us a long way in gaining recognition.

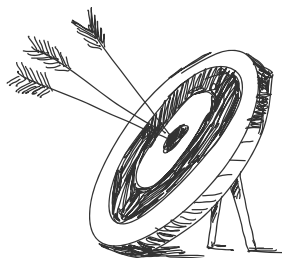

We possess an image of a widely recognized manufacturer of Tablet, Capsules, Ointments, External Preparations and Oral Liquids. Every day, we strive to develop medicines that are designed to improve the health and quality of life of patients around the world – medicines which are innovative, effective and which offer added benefits such as reduced side effects or better ways of functioning

Today, Unispeed Pharmaceuticals brand stands for quality, competitiveness, and transparency. These values have stood us in good stead to carve our image in the industry and build long-term sustainable relationships with our partners.

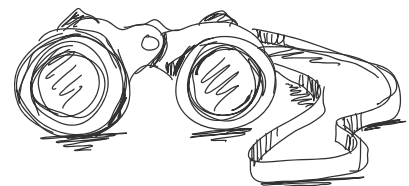

OUR VISION

- Customer Focus
 - We care and it makes a difference
- Teamwork
 - Working together to foster creativity
- Passion
 - Dedication to our mission, clients, our company and each other

OUR MISSION

- To offer premium pharmaceutical solutions at affordable prices

OUR VALUES

- We aim to be customer's first choice through quality pharmaceutical products and set precedent for sustainable growth in the pharmaceutical sector on a global scale.
