

STERILE API

PROTON PUMP INHIBITORS

Esomeprazole Sodium Sterile (Lyophilized)
Lansoprazole Sodium Sterile (Lyophilized)
Omeprazole Sodium Sterile (Lyophilized)
Pantoprazole Sodium Sterile (Lyophilized)

BULK STERILE API'S

Acyclovir Sodium Sterile
Artesunate Sterile
Azithromycin Sterile
Deferoxamine Mesylate Sterile
Doxycycline Sterile
Ketoprofen Sterile
Tenoxicam Sterile
Vancomycin Hydrochloride Sterile
Voriconazole Sterile

STERILE PENICILLIN'S

Piperacillin + Tazobactam Sodium Sterile (8:1)
Tazobactam Sodium Sterile
Cloxacillin Sodium
Avibactam Sodium Sterile

CARBAPENEM

Meropenem Sodium Sterile
Imipenem + Cilastatin Sterile
Under Development
Biapenem Sterile
Doripenem Sterile
Ertapenem Sterile

CEPHALOSPORIN

Cefepime for Injection Sterile
Cefotaxime Sodium Sterile
Ceftriaxone Sodium Sterile
Cefuroxime Sodium Sterile

UNDER DEVELOPMENT

Cefpirome Sulphate Sterile
Ceftazidime Sterile
Ceftizoxime Sodium Sterile
Clarithromycin Lactobionate Sterile
Colistimethate Sodium Sterile
Fosfomicin Sodium Sterile
Meloxicam Sterile
Piroxicam Sterile
Polymyxin B Sterile
Teicoplanin Sodium Sterile

30 Years Experience
in Manufacturing of
Sterile Api.

Having Annual
Capacity of 180 MT
Lyophilized and 336
MT of Crystalline
Products (Sterile).

WHO-GMP, ANVISA &
MEXICO approved for
Sterile Bulk API &
PROTON PUMP
INHIBITORS.

The group turnover is
in excess of USD 80
Million & its products
are well established
in over 20 Countries.

GENERAL FORMULATION finished dosage manufacturing facility for regulatory markets
with a capacity of 24 Million Dry Powder Vials per year.

World Class R&D Setup Recognized by Govt. of India (Dept. of Science & Technology).

The company's Patent Application for Sterile Proton Pump Inhibitors is No: 367/DE dt.
10.02.2006.
