

**Primary Packaging
with Excellence**

About Intalio

Intalio owes its genesis to the esteemed Gainda Mull Hem Raj group, a family-run business with a remarkable 125-year legacy in North India.

Incorporated in 2011 under the Companies Act, Intalio has evolved from a modest operation of 4 tonnes a month into a robust enterprise, now handling 2 units with an installed capacity of 50 tonnes per month.

As a trusted primary packaging partner to leading companies across India, Intalio Group excels in delivering both plain and printed substrates of primary packaging in the pharmaceutical and FMCG sectors.

Our growth reflects not only our technical capabilities but also our unwavering commitment to upholding the highest standards of ethics and quality.

Our Vision

Co-creating with stakeholders for mutually accelerated growth.

To be the preferred vendor partner for our customers by consistently evolving and delivering to their needs with compliant and cost effective solutions for mutual growth.

Our Mission

Core Philosophy

Q.P.D. Approach

- Right Quality
- Right Price
- Right Delivery

Our Products

Strip Foils

Available in plain and printed varieties, our strip foils come in thicknesses from 30 microns to 40 microns, with a 150/200 gauge laminated poly.

Blister Foils

Our product range includes plain and printed VMCH/HSL coated blister foils, available in thicknesses from 20 microns to 30 microns, designed for tablet and injectable packaging.

Additionally, we provide plain and laminated blister foils, ranging from 9 microns to 20 microns, ideal for chocolates, household foils, and other FMCG products.

**Alu Alu | PVC |
PVDC**

Our selection includes plain and printed PVC/PVDC/ALU-ALU substrates, catering to both domestic and regulatory market customers.

Supply plain and printed glassine paper in thicknesses ranging from 40 microns to 60 microns, offered in both H/HSL coated and poly laminated options.

Customized to client requirements, our range of plain and printed pouches and sachets are available in various forms and sizes.

We specialize in 3-4 layer laminates suitable for pharmaceutical, FMCG, and industrial flexible packaging applications.

Our Facility

We feature a modern, semi-automated facility capable of printing 2000 Kgs in a single day.

Our machinery includes:

- Two 5-colour Rotogravure Printing Machines (600 mm web width)
- One 4-colour Rotogravure Printing Machine (600 mm web width)
- One 3-colour Rotogravure Printing Machine (500 mm web width)
- One 2-colour Rotogravure Printing Machine (600 mm web width)
- Two Slitting Machines (1100 mm web width)
- Three high-speed Doctoring Machines
- E+L (Germany) web guides installed on all machines
- Auto tension control by Dynaspede on all machines

Why Work with Us?

Quality is the cornerstone of Intalio, deeply embedded in our purpose and values.
