PRIVATE LIMITED

We care about YOUR HEALTH

Welcome to Nutriley Healthcare Pvt Ltd, where tradition meets modern wellness. Founded with a passion for harnessing the ancient wisdom of Ayurveda and the latest advancements in dietary science, we are committed to empowering individuals on their journey to optimal health and vitality.

Nutriley's Third-Party Manufacturing capability

Nutriley Healthcare Private Limited was founded in 2019 by Dr. Naveen Aggarwal as a leading Ayurvedic Research Foundation. Based in Haryana, India (approximately 40 km from Delhi), the company operates from a state-of-the-art 87,120 sq. ft. manufacturing facility equipped with cutting-edge technology and best-in-class production practices.

With a team of highly skilled professionals, many of whom have been with the company for over a decade, Nutriley Healthcare ensures top-quality Ayurvedic product manufacturing. We are doing this business since 3 generations. The facility is ISO 9001:2015 certified, GMP certified, FSSAI and recently registered with the US FDA.

All 500+ Ayush Approved and 100+ FSSAI Approved formulations are manufactured in-house, maintaining the highest standards of safety, efficacy, and authenticity.

Our Vision

Our vision is to empower individuals on their wellness journey by providing high-quality dietary supplements that enhance health and vitality. We believe in the power of nature and science working together to create products that make a positive impact.

INNOVATION AND RESEARCH

We invest in cutting edge research and development to stay ahead of industry trends. Our team collaborates with experts, formulators, and health professionals to create innovative products that address specific health needs.

QUALITY ASSURANCE

At our company, quality is non negotiable. We adhere to rigorous standards, from sourcing raw materials to final product formulation. Our state of the art facilities and dedicated team ensure that every supplement meets the highest quality benchmarks.
