

About Us

Shivalik Remedies Pvt. Ltd. are a Pharmaceutical manufacturer and exporter. Right from the beginning and inception, our core value has been to provide good health by serving humanity with high quality, affordable healthcare products and accessible medical treatment.

In the current healthcare scenario worldwide - individuals, healthcare institutions, governments are paying heavily to reduce the burden of diseases which are exponentially. Therefore, our Mission is to Inspire Better Health by offering Affordable & Accessible, Good Quality Healthcare products worldwide and become one of the best suppliers of Cost-Effective, Tried, Tested, & Trusted Medicines.

Shivalik Remedies Pvt. Ltd. is accredited with WHO-GMP Certification and the personnel in the facility strictly follow the WHO-GMP guidelines in the production areas to achieve the best quality in pharmaceutical products. The Quality Control departments have the latest testing equipments with well-qualified staff and accredited with GLP (Good Laboratory Practices) certification from our FDA.

Our R&D capabilities include formulation development, process development & validation, analytical development, In-process quality control and Quality Assurance, conducting stability studies and dossier development. We have a good team of experienced Research & Development personnel specialized in the above processes.

We possess end-to-end capabilities - from Lab-scale development to Pilot-scale up and from commercializing the product for large scale manufacturing to marketing globally.

Our plants are equipped with customized packaging machines to cater to customer needs and employ cutting-edge technology with innovative solutions for the same.

We are expanding our horizon to international markets along with expansion of specialized Generic medicines division in India. Our range of products include Pharmaceutical Formulations in various dosage forms like tablets, capsules and syrups.
