Our Strengths

Delivering excellence since 1987, with contract manufacturing, institutional, direct-to-market and out-licensing solutions worldwide.

Vision

To be a leading healthcare and research driven company providing quality medicines at an affordable cost to the common people.

To have presence in all major regulated and semi-regulated (emerging) markets in next 5-10 years going even beyond our current presence across CIS & Central Asia, APAC & India, Latam, Africa, and Middle East.

About us

- ❑ Established in 1987 as an Indo-German partnership
- ❑ Management takeover in 1995
- ❑ Launched a world-class manufacturing facility in 2006
- ❑ Earned WHO-GMP certification by 2009
- ❑ Inaugurated a state-of-the-art R&D facility in 2023
- ❑ 600+ registered products in 30+ countries today
